2. Form of Tender

To

The Principal
Reserve Bank Staff College
No.359, Anna Salai, Teynampet
Chennai – 600 018

Dear Sir,

Having examined the specifications, designs and Schedule of Quantities relating to the works specified in the memorandum hereinafter set out and having visited and examined the site of the works specified in the said memorandum and having acquired the requisite information relating thereto as affecting the tender, I / We hereby offer to execute the works specified in the said memorandum within the time specified at the rates mentioned in the attached Schedule of Quantities, specifications and in accordance, in all respects, with the Specifications, Designs, Drawings (if any) and instructions in writing referred to in Articles of Agreement, Special Conditions, Schedule of Quantities and General Conditions of Contract, Annexures and with such materials as are provided for, by and in all other respects in accordance with such conditions so far as they may be applicable.

MEMORANDUM

(a)	Name of the work:	Renovation of 3 Nos of Rooms at Old Hostel Block (any Floor), Reserve Bank Staff College, Chennai
(b)	Estimated Cost of the work	₹9.2 Lakh
(c)	Earnest Money	2% of the total Contract Amount from successful bidder
(d)	Date of Commencement	Within 10 days from the date of written order to commence the work, including the date of work order
(e)	Time for completion of the work	60 days , which shall be reckoned from the 10 th day of issue of written order to commence the work.
(f)	Liquidated Damages	0.25% of the contract value per week for the period for which the work remains incomplete beyond the stipulated period of completion subject to the ceiling of 10% of the contract value.

(g)	Defects Liability period	1 Year from the date of Virtual Completion of the work
-----	--------------------------	---

I/We agree to the following:

1. Should this tender be accepted, I / we hereby agree to abide by and fulfil the terms and provisions of the said conditions of the contract annexed here so far as they may be applicable or in default thereof to forfeit and pay to the Reserve Bank of India, the amount mentioned in the said conditions.
2. Should this tender be accepted, I / we shall deposit a sum equivalent to 2% of the total Contract Amount as Earnest Money Deposit with the Reserve Bank Staff College, which amount is not to bear any interest. Should I / We fail to execute the contract when called

upon to do so, I / We do hereby agree that this sum shall be forfeited by me / us to the Reserve Bank of India / Reserve Bank Staff College.

3. I / We confirm that the tender submitted by me / us is confirming to all the terms and conditions mentioned in the tender document.
4. I / We agree that our Tender will remain valid for acceptance by the Employer for 90 days from the date of opening of Part I of the Tender and this period of validity can be extended for such period as may be mutually agreed between the Employer and us in writing. We also agree to keep the Bank Guarantee (if any) towards earnest money deposit valid during the entire period of validity of Tender.
5. I / We do hereby declare that there is no case with the Police / Court / Regulatory Authorities against me / us. Also, I / We have neither been suspended / delisted / disqualified by any organization including Reserve Bank of India / Reserve Bank Staff College for any reason nor any such proceedings are pending or contemplated. I / We also certify that neither our firm nor any of the partners are involved in any scam or disciplinary proceedings settled or pending adjudication.
6. I / We certify that all the information furnished by me / us is true to the best of my / our knowledge. I have no objection to RBSC verifying any or all the information furnished in this document with the concerned authorities, if necessary.
7. I / We understand that the Employer reserves the right to accept or reject any or all the Tender either in full or in part without assigning any reason therefore.

Accepted with Digital Signature Certificate

3 Articles of Agreement (Proforma)

ARTICLES OF AGREEMENT made the _____ day of _____ between the Reserve Bank Staff College, Chennai (hereafter called "Employer") of the one part and _____ (hereinafter called "the Contractor" of the other part.

WHEREAS the Employer is desirous of carrying out the work of '**Renovation of 3 Nos of Rooms at Old Hostel Block (any Floor), Reserve Bank Staff College, Chennai**' and has prepared drawing and Schedule of Quantities showing and describing the work to be done under the direction of Bank's Engineer.

AND WHEREAS the said specifications, the Schedule of Quantities and drawings have been signed by or on behalf of the parties hereto.

AND WHEREAS the Contractor has agreed to execute upon, subject to the Conditions set forth herein and to the Conditions set forth in the Special Conditions and in the Schedule of Quantities and Conditions of Contract (all of which are collectively hereinafter referred to as "the said Conditions"), the works shown upon the said drawings and/or described in the said specification and included in the Schedule of Quantities at the respective rates therein set forth amounting to the sum as therein arrived at or such other sum as shall become payable thereunder (hereinafter referred to as 'the said Contract Amount')

NOW IT IS HEREBY AGREED AS FOLLOWS:

1. In consideration of said Contract Amount to be paid at the times and in the manner set forth in the said conditions, the Contractor shall upon and subject to the said Conditions execute and complete the work shown upon the said Drawings and described in the said Drawings and described in the said Specifications and the Schedule of Quantities.
2. The Employer shall pay the Contractor the said Contract Amount, or such other sum as shall become payable, at the times and in the manner specified in the said conditions.
3. The said Conditions and Appendix thereto shall be read and construed as forming part of this agreement and the parties hereto shall respectively abide by, submit themselves to the said Conditions and perform the agreements on their part respectively in the said Conditions contained.
4. The plans, agreement and documents mentioned herein shall form the basis of this Contract.

5. Work order No. _____ dated _____ shall form the part of this agreement.
6. This Contract is neither a fixed Lumpsum Contract nor a Piece-work Contract but is a Contract for to carry out the work in respect of “**Renovation of 3 Nos of Rooms at Old Hostel Block (any Floor), Reserve Bank Staff College, Chennai**”. Payment will be settled according to actual measured quantities at the rates contained in the Schedule of Rates and probable quantities or as provided in the said Conditions.
7. The Contractor shall afford every reasonable facility for carrying out of all the works relating to civil works and other ancillary works in the manner laid down in the said Conditions and shall make good any damages done to walls, floors, etc., after the completion of such works.
8. The Employer reserves to itself the right of altering the Drawings and nature of the work by adding to or omitting any items of work or having portions of the same carried out without prejudice to this contract.
9. **Time** shall be considered as one of the important factors of this contract and the contractor hereby agrees to commence the work immediately in consultation with the Bank’s Engineer. The time allowed for completion of work is **60 days** from the tenth day of issue of work order failing which the sum named in the Appendix as “Liquidated Damages” shall be levied by the employer, subject nevertheless to the provisions for extension of time.
10. All payments by The Employer under this Contract will be made only at Chennai.
11. All disputes arising out of or in any way connected with this agreement shall be deemed to have arisen at Chennai and only Courts in Chennai shall have jurisdiction to determine the same.
12. The Contractor shall not disclose directly or indirectly any information, materials and details of the Employer's infrastructure / systems / equipment's, etc., which may come to the possession or knowledge of the Contractor during the course of discharging its contractual obligations in connection with this agreement, to any third party and shall at all times hold the same in strictest confidence. The Contractor shall treat the details of the contract as private and confidential, except to the extent necessary to carry out the obligations under it or to comply with applicable laws. The Contractor shall not publish, permit to be published, or disclose any particulars of the works in any trade or technical paper or elsewhere without the previous written consent of the Employer. The Contractor shall indemnify the Employer for any loss suffered by the Employer as a result of disclosure of any confidential information. Failure to observe the above shall be treated as breach of contract on the part of the Contractor and the Employer shall be entitled to claim damages and pursue legal remedies. The Contractor shall take all appropriate actions with respect to his / their employees to ensure that the obligations of non-disclosure of confidential information

under this agreement is fully satisfied. The Contractor's obligations with respect to non-disclosure and confidentiality will survive the expiry or termination of this agreement for whatever reason.”

13. i) The Contractor / Agency shall be solely responsible for full compliance with the provisions of “the sexual Harassment of women at workplace (Prevention, Prohibition and Redressal) Act, 2013”. In case of any complaint of sexual harassment against his / their employees within the premises of the Employer, the complaint will be filed before the Internal Complaints Committee constituted by the Contractor / Agency and the Contractor / Agency shall ensure appropriate action under the said Act in respect of the complaint. (ii) Any complaint of sexual harassment from any aggrieved employee of the Contractor against any employee of the Employer shall be taken cognizance of by the Regional Complaints Committee constituted by the Employer. (iii) The Contractor shall be responsible for any monetary compensation that may need to be paid in case the incident involves the employees of the Contractor, for any instance any monetary relief to Employer’s employee, if sexual violence by the employee of the Contractor is proved. (iv) The Contractor shall be responsible for educating his / their employees about prevention of sexual harassment at workplace and related issues. (v) The Contractor shall provide a complete and updated list of his / their employees who are deployed within the Employer’s premises.
14. That the several parts of this Contract have been read by the Contractor and fully understood by the Contractor.

If the contractor is a Partnership or an Individual
IN WITNESS WHEREOF the Employer and the Contractor have set their respective hands to these presents and two duplicates, hereof the day and year first hereinabove written.

If the contractor is a Company
IN WITNESS WHEREOF the Employer has set its / their hand to these presents through its / their duly authorized official and the Contractor has caused its common seal to be affixed hereunto and the said two duplicates / has caused these presents and the said two duplicates hereof to be executed on its / their behalf, the day and year first hereinabove written.

4 Instructions to Bidders

E-tenders comprising duly filled in Part I (Techno-Commercial Bid) and Part II (Price Bid) of the tender should be uploaded in MSTC website under RBI Portal for the work of **'Renovation of 3 Nos of Rooms at Old Hostel Block (any Floor), Reserve Bank Staff College, Chennai'**.

1. The Employer discourages stipulation of any additional conditions by the tenderers. However, in case the tenderers wish to include any condition, it shall be addressed as a special remark. The condition(s), if any, will be examined and after discussions with all the tenderers, the conditions that are acceptable to the Employer will be intimated to the tenderers.
2. Tender shall be opened at **03:00 p.m. on December 12, 2024**.
3. Tenders shall remain valid for acceptance by the Employer for a period of three months from the date of opening of the tender which period may be extended by mutual agreement and the bidder shall not cancel or withdraw the tender during this period.
4. Digital Signatures may be used to submit the tender in token of his / their acquainted himself / themselves with the General Conditions of Contract, Specifications, Special Conditions, etc., as laid down.
5. If any of the document is missing, the tender may be considered invalid by the Employer at its / their discretion. No advice of any change in rate or conditions after opening of the tender will be entertained.
6. The vendors shall pay the transaction fee vide the procedures listed in [Annexure I](#) - **'Guidelines for e-procurement'**.
7. Transaction fee is non-refundable. A vendor will not have the access to online e-tender without making the payment towards transaction fee.

8. **Earnest Money Deposit** for a sum of **2% of the total Contract Value** shall be remitted to the Bank Account of Reserve Bank Staff College mentioned below by the successful tenderer within 7 days of issue of Work Order:

Beneficiary Name: RBSC CHENNAI
IFSC : RBIS0SCPA01 (5th and 10th digits being zero)
Account No. : 186003001

9. The EMD paid by the successful bidder shall be released without any interest by the Employer on virtual completion of the work and settlement of final bill as provided under clause no.7 under 5.2 'Appendix Hereinbefore Referred to' in Part I of the tender.
10. The EMD shall not be accepted in any form other than the one mentioned in the tender notice. The **EMD / Performance Security Bank Guarantee** submitted by the successful bidder shall be forfeited / invoked, in case he / they fail(s) to commence the work awarded to him / them within the prescribed time limit.
11. The Reserve Bank Staff College does not bind itself to accept the lowest or any tender and reserve to itself the right to accept or reject any or all the tenders, either in whole or in part, without assigning any reasons for doing so. The Earnest Money Deposit will be refunded to the bidder, if he / they are found not fulfilling the 'eligibility criteria' or if his / their tender is not accepted by the Employer, but without any interest. Under no circumstance Earnest Money Deposit will be accepted in the form of fixed deposit receipt of Bank or Insurance Guarantee or cheque.
12. The successful tenderer shall indemnify the Employer against all risk by obtaining and keeping in force / currency throughout the Contract Period, necessary Insurance Policies of appropriate value including Contractors All Risk Policy, Workmen Compensation Policy, Third Party Liability Policy, etc., from an Insurance Company approved by the Employer, as per Clause no.25 of the General Conditions of the Contract. Insurance policies should be taken in the joint name of the College and himself / themselves with the employer being the first name (The Principal, Reserve Bank Staff College, Chennai) and deposit such policy or policies with the College within 10 days from the issue of work order.
13. On receipt of intimation from the Employer of acceptance of his / their tender, the successful bidder shall be bound to implement the contract and within fourteen days thereof the successful bidder shall sign an agreement in accordance with the Articles of

Agreement (Proforma) mentioned in the tender and the Schedule of Conditions but the written acceptance by the Reserve Bank Staff College of a tender will constitute a binding contract between the Reserve Bank Staff College and the person so tendering, whether such formal agreement is or is not subsequently executed.

14. As a security for the due fulfilment of the contract by the Contractor, 5% of the value of the work done will be deducted by the Employer from each payment to be made to the Contractor towards Retention Money. This Retention Money to be deducted will be termed as 'Total Security Deposit'. The retention money shall be released after the expiry of the Defect Liability Period subject to the satisfactory rectification of all defects pointed out during the Defect Liability Period and as per the terms and conditions of this contract document. The amounts retained by the Employer as Retention Money Deposit / Security Deposit shall not bear any interest.
15. All compensation or other sums of money payable by the Contractor to the Employer under the terms of this Contract may be deducted from the 'Total Security Deposit', if the amount so permits and the Contractor shall, unless such deposit has become otherwise payable, within ten days after such deduction, make good in cash the amount so deducted.
16. The Contractor shall not assign the Contract. He shall not sublet any portion of the Contract except with the written consent of the Employer. In case of breach of these conditions, the Employer may serve a notice in writing on the Contractor rescinding the Contract whereupon the 'Total Security Deposit' shall stand forfeited to the Employer.
17. The Contractor shall carry out all the works strictly in accordance with the design and drawings, details, specifications and instructions of the Bank's Engineer.
18. A schedule of probable quantities in respect of each work and specifications accompany these documents. The schedule of probable quantities is / are liable to alteration by omissions, deductions or additions at the discretion of the Employer.
19. The bidder must obtain for himself on his / their own responsibility and at his / their own expenses all the information which may be necessary for the purpose of making a tender and for entering into a contract and must examine the drawings and must inspect the site of the work and acquaint himself / themselves with all local conditions, means of access to the work, nature of the work and all matters appertaining thereto.

20. The rates quoted in the tender shall include all charges for clearing of site before commencement as well as after completion, double scaffolding, centering, boxing, staging, planking, tools, plants, equipment, storage sheds, watching and lighting by night as well as day including Sundays and holidays, temporary plumbing and electricity supply arrangements (Water and electricity may be made available at the available sources within the Employer's Premises at free of cost. However conveying the same to required location(s) including required plumbing / electrical pipes / cables / wires, fittings / fixtures, etc., shall be at the risk & cost of the contractor), protection of the public and safety of walls, buildings and all other erections, matters or things and the Contractor shall take down and remove any or all such centering, scaffolding, staging, etc., as occasion shall require or when ordered to do so and fully reinstate and make good all matters and things disturbed during the execution of work and to the satisfaction of the Bank's Engineer. The rates quoted shall deemed to be for the finished work to be measured at site. The rates shall also be firm and shall not be subject to exchange variations, labour conditions, fluctuations in railway / road / water freight charges or any conditions whatsoever.

21. **The rates for each item in Part II (Price-Bid) of the tender shall be inclusive of GST.. The total amount calculated by the system, will be taken for arriving the L1 rates and the total Contract Value.** Each invoice / bill shall indicate amongst other things, the contractor's PAN and G.S.T Registration Number. The Contractor shall also produce to the Employer adequate proof of remittance of G.S.T within a reasonable time from date of such remittance. The contract value will also be subject to TDS / TCS / TDS under G.S.T / Withholding Tax / any other tax, as per statutes.

22. The Contractor should note that unless otherwise stated, the tender is strictly on item rates basis and attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the Contract. However, during actual execution of work, if the quantities of any of the items of work exceeds by more than 25% of the tender quantities, the quantities of such items executed, by the authority of the Bank's Engineer and with the concurrence of the employer, in excess of 25% of the tender quantity, shall be considered as an extra item of work for which the Contractors shall submit fresh rates supported by rate analysis worked on the actual cost basis plus 15% towards establishment charges, contractor's overheads and profit. The rates for all such items of work, being current ones, will not be eligible for price adjustment due to increase

or decrease in prices of materials and labour rates as per escalation formula, if any, given in the tender. If any of the items of work is omitted from the accepted tender at the sole discretion of the employer, the contractor shall not be entitled to any claim on this account.

23. Time allowed for carrying out the work, shall be as mentioned in the Memorandum, which shall be strictly observed by the Contractor and it shall be reckoned from the **10th day of issue of written order to commence the work (including the date of work order)**.
24. The work shall throughout the stipulated period of the contract be proceeded with all due diligence and if the Contractor fails to complete the work within the specified period, he / they shall be liable to pay compensation as defined in Clause no. 27 'Liquidated Damage for non-completion' of the General Conditions of the Contract. The Contractor shall, before commencing the work, prepare a detailed work programme which shall be approved by the employer.
25. The Contractor shall not be entitled to any compensation for any loss suffered by him / them on account of delay in commencing or executing the work, whatever the cause of delay may be, including delay arising out of modifications to the work entrusted to him / them or in any sub-contract connected therewith or delays in awarding contracts for other trades of the project or in commencement or completion of such works or in procuring Government controlled or other materials or in obtaining water and power connections for construction purposes or for any other reason whatsoever and the Employer shall not be liable for any claim in respect thereof. The Employer does not accept liability for any sum besides the tender amount, subject to such variations as are provided for herein.
26. The successful tenderer is bound to carry out any items of work necessary for the completion of the job even though such items are not included in the Schedule of Quantities and rates. Schedule of instructions in respect of such additional items and their quantities will be issued in writing by the Bank's Engineer.
27. The successful tenderer must co-ordinate with the other contractors appointed by the Employer so that the execution of work shall proceed smoothly with the least possible disturbance / delay and to the satisfaction of the Bank's Engineer.
28. The Contractor must bear in mind that all the works shall be carried out strictly in accordance with the Specifications, design drawings made by the Bank and also in

compliance with the requirements of the local public authorities and to the requirements of the Employer and no deviation on any account will be permitted unless otherwise they are given in writing by the Employer.

29. The successful tenderer should make his / their own arrangement to obtain all materials required for the work. The materials as far as procurable shall be first / premium quality conforming to latest relevant Indian / international standard code of provisions as mentioned in schedule of quantities.
30. Defective Materials: Any defects or faults in the materials supplied and, in the work, done by the contractor which may appear during execution of the work or within twelve months shall, upon the discretion of the Bank's Engineer be replaced or set right by the Contractor at his / their own cost within 7 (seven) days of receiving such directions. The Employer reserves the right to get the work executed / work examined by other Government or Private Agency and the directions of such agency shall also be binding on the Contractor.
31. Approval of samples: Contractor shall have to produce samples of the material for Bank's approval for which no separate payment will be made. Approval of the sample by the Employer will not relieve the contractor from of his / their responsibility / obligation about the specifications and other stipulations in the contract.
32. The Contractor shall use materials of the makes / manufacturers specified in the list of material of approved make / brand / manufacturer contained in the e-tender clauses, strictly as per the manufacturer's specifications.
33. Electricity and water shall be provided free of cost for execution of the work at one point within the premises. Contractor shall make his / their own arrangements for conveying the same to the required locations. The contractor shall, however, take care to ensure that no undue wastage of electricity & water is caused. Necessary safety measures as required by the Employer shall be taken by the contractor to avoid any mishap. The contractor shall be penalized by the Employer if any laxity on his / their part is observed in this matter.
34. The Contractor shall strictly comply with the provisions in the Safety & Fire Safety Codes annexed hereto.

35. IS Code / other Code numbers wherever mentioned in the tender shall be the latest version as on the date of opening of tenders.
36. EMD / 'Total Security Deposit' for the Defect Liability of the successful tenderer will be forfeited / invoked, if he / they fail to comply with any conditions of the Contract.
37. The tenderers must obtain for himself / themselves at his / their own responsibility and at his / their own expense all the information which may be necessary for the purpose of making a tender and for entering into a contract and must examine the drawings, inspect the site of the work, acquaint himself / themselves with all local conditions, means of access of the work, nature of the work and all matters pertaining thereof.
- 38. Errors, Omission and Descriptions:**
Between the description of the item in the General Specifications and the detailed descriptions in the Schedule of Quantities of the same item, the latter shall be adopted.
39. Clarifications if any, with respect to General Conditions, Special Conditions, Scope of work, specifications, design and drawings or any other matter required for submitting the tender shall be obtained from the Bank's Engineer during working hours of the Bank, before submitting the tenders. Once a tender is submitted, the matter will be decided according to conditions in the tender in, the absence of such authentic pre-clarification.
40. The contractor shall abide by and fulfil all requirements laid down under the various provisions of Contract Labour (Regulation and Abolition) Act, 1970 and the rules framed there-under. The contractor shall submit to the Employer the maximum number of Labors to be engaged on a single day in the job. Any subsequent increase should be informed to the Employer without delay. If the number of labourers employed for the job are twenty or more, the contractor shall obtain the license from the Regional Labour Commissioner. The contractor should ensure payment of minimum wages to all his / their labourers / workmen staff employed by him / them. He / They shall submit a certificate to the effect that, he / they has / have actually paid all the dues of all labourers of all designations / descriptions engaged by him / them for completion of the awarded job / work / project at the rate which is not less than that prescribed under Minimum Wages Act, 1948 and they have complied with the provisions of CLRA Act with regard to providing essential amenities to contract labour. Further, he / they may facilitate Bank's representative(s) to verify and certify the veracity of such certificate. The contractor shall be solely responsible for any violation of provision of labour laws or any other statutory provisions and shall

further keep the Reserve Bank Staff College, Chennai indemnified from all acts of omission, fault, breaches and / or any claim, demand, loss, injury and expenses arising out from non-compliance of the aforesaid statutory provisions. The Employer will not be responsible for any accident, injury caused to any laborer / staff of the Contractor deployed at site, during the course of their work / duty / off duty and thus the laborer / staff will not be entitled for any compensation from Employer. Under the circumstances of contractor's failure to fulfil any of the obligations hereunder and / or under the said Acts, rules / regulations and / or any bye-laws or rules framed under or any of these, the Reserve Bank Staff College, Chennai shall be entitled to recover any of such losses or expenses, which it may have to suffer or incur on account of such claims, demand, loss or injury, from the contractor's payments and Security Deposit.

41. The Contractor shall not disclose directly or indirectly any information, materials and details of the Employer's infrastructure / systems / equipment, etc., which may come to the possession or knowledge of the Contractor during the course of discharging its / their contractual obligations in connection with this agreement, to any third party and shall at all times hold the same in strictest confidence. The Contractor shall treat the details of the contract as private and confidential, except to the extent necessary to carry out the obligations under it or to comply with applicable laws. The Contractor shall not publish, permit to be published or disclose any particulars of the works in any trade or technical paper or elsewhere without the previous written consent of the Employer. The Contractor shall indemnify the Employer for any loss suffered by the Employer as a result of disclosure of any confidential information. Failure to observe the above shall be treated as breach of contract on the part of the Contractor and the Employer shall be entitled to claim damages and pursue legal remedies. The Contractor shall take all appropriate actions with respect to its / their employees to ensure that the obligations of non-disclosure of confidential information under this Agreement is fully satisfied. The Contractor's obligations with respect to non-disclosure and confidentiality will survive the expiry or termination of this agreement for whatever reason.

42. Prevention of sexual harassment at workplace: -

a) The contractor / agency shall be solely responsible for full compliance with the provisions of "the Sexual Harassment of women at workplace (Prevention, Prohibition and Redressal) Act, 2013". In case of any complaint of sexual harassment against its / their employee/s within the premises of the Employer, the complaint will be filed before the Internal Complaints Committee constituted by the Contractor / Agency and the

Contractor

/ Agency shall ensure appropriate action under the said Act in respect of the complaint.

b) Any complaint of sexual harassment from any aggrieved employee of the contractor against any employee of the Employer shall be taken cognizance of by the Regional Complaint Committee constituted by the Employer.

c) The contractor shall be responsible for any monetary compensation that may need to be paid in case the incident involves the employees of the contractor, for instance any monetary relief to the Employer's employee, if sexual violence by the employee of the contractor is proved.

d) The contractor shall be responsible for educating its / their employees about prevention of sexual harassment at workplace and related issues.

e) The contractor shall provide a complete and updated list of its / their employees who are deployed within the Employer's premises.

I / We hereby declare that I / we have read and understood the above instructions for guidance of tenderers.

2. Scope of Contract:

The contractor shall carry out and complete the said work in every respect in accordance with this Contract and with the directions of and to the satisfaction of Bank's Engineer. The Bank's Engineer may in his / their absolute discretion and from time-to-time issue further drawing and / or written instructions, details directions and explanations which are hereafter collectively referred to as "Employer's Instructions" in regard to: -

- a) The variation or modification of design, quality or quantity of works or the addition or omission or substitution of any work.
- b) Any discrepancy in the Drawings or between the Schedule of Quantities and / or Drawings and / or Specification.
- c) The removal from the site of any material brought thereon by the Contractor and the substitution of any other material therefore.
- d) The removal and / or re-execution of any works executed by the Contractor.
- e) The dismissal from the works of any persons employed there upon.
- f) The opening up for inspection of any work covered up.
- g) The amending and making good of any defects under clause 21 hereof.

The Contractor shall forthwith comply with and duly execute any work comprised such Bank's Engineer's instructions provided always that verbal instructions directions and explanations given to the Contractor or his / their representative upon the works by the Bank's Engineer's shall, if involving a variation, be confirmed in writing by the Contractor within seven days and if not dissented from in writing within a further seven days by Bank's Engineer's such shall be deemed to be Bank's Engineer's instructions within the scope of the Contract.

3. Variations to be approved by the employer: The Contractor shall submit a statement of variations giving quantity and rates duly supported by analysis of rates, vouchers, etc. The rates on scrutiny and final acceptance by Employer shall form a supplementary tender. The Employer shall not be liable for payment of such variations until these statements are sanctioned by it.

4. Drawings, Schedule of quantities and agreement: The contract shall be executed in duplicate and the Bank's Engineer, the Employer and the Contractor shall be entitled to one executed copy of each for his / their use. The Contractor on the signing hereof shall be furnished by the Bank's Engineer free of cost, one copy of each of the said Drawings and of the specification and one copy of all further design drawings issued during the progress of the works. Any further copies of design drawings required by the contractor shall be paid for by him / them. The contractor shall keep one copy of all the drawings on the works and the Bank's Engineer or his / their representative shall at all reasonable times have access to the same. Before the issue of the final certificate to the Contractor he / they shall forthwith return to the Bank's Engineer all the design drawings and specifications.

5. Contractor to provide everything necessary at his / their cost: The contractor shall provide at his / their cost everything necessary for proper execution of work according to the intent and meaning of the drawings. Schedule of quantities and specification taken together with whether the same may or may not be particularly shown or described therein provided that the same can reasonably be inferred there from and if the contractor finds any discrepancy in drawings or between the drawings schedule of quantities and specifications he / they shall immediately and in writing refer same to Bank's Engineer who shall decide which is to be followed. Between drawings & specifications / schedule of quantities, schedule of quantities will prevail.

6. Authorities, notices and patents: (i) The contractor shall confirm to the provisions of any Act of the legislature relating to the works and to the regulations and bye-laws of any authority and of any water, electric supply and other companies and / or authorities with whose, systems the structure is proposed to be connected and shall, before making any variations form the

drawings or Specifications that may be necessitated by so conforming, give to the Bank's Engineer written notice, specifying the variation proposed to be made and the reason for making it and apply for instruction thereon. In case the Contractor shall not within ten days receive such instructions, he / they shall proceed with the work conforming to the provisions, regulations or bye-laws in question and any variation so necessitated shall be dealt with under Clause no.18 thereof.

(ii) The Contractor shall bring to the attention of the Bank's Engineer all notices required by the said Acts, regulations or bye-laws to be given to any authority and pay to such authority or to any public office all fees that may be properly chargeable in respect of the works and lodge the receipts with the Bank's Engineer.

(iii) The contractor shall indemnify the Employer against all claims in respect of patent rights and shall defend all action arising from such claims and shall himself / themselves pay all royalties, license fees, damages, cost and charges of all and every sort that may be legally incurred in respect thereof.

7. Setting out of works: The Contractor shall set out the works and shall be responsible for the true and perfect setting out of the same and for the correctness of the positions, levels, dimensions and alignment of all parts thereof and got approved prior to proceeding of the work. If the contractor fails in his / their role, any errors / defects it shall be rectified at his / their own expense to the satisfaction of the Bank / Employer.

8. Materials and workmanship to confirm to description: All materials and workmanship shall so far as procurable be of the respective kinds described in the Schedule of Quantities and / or Specifications and in accordance with the Bank's Engineer's instructions and the Contractor shall upon the request of the Bank's Engineer furnish him / them with all invoices, accounts, receipts and other vouchers to prove that the materials comply therewith. The Contractor shall arrange for and / or carry out test of any materials, as per relevant IS provisions through the reputed laboratories prior to use in the work, if so desired by the Employer. The contractor shall arrange for manufactures' test certificate for any material which the Bank may require from time to time before the execution using intended material. **The testing of material (Third Party Test) shall be carried out through a Government / Approved Laboratory and the testing charges, as per actuals shall be reimbursed by the Employer on production of vouchers / paid receipt.**

9. Contractor's superintendence and representative on the works: The Contractor shall give all necessary personal superintendence during the execution of works and as long thereafter as the Bank's Engineer may consider necessary until the expiry of "Defects Liability Period" stated in the Appendix hereto. The Contractor shall also during the whole time the works are in progress employ a competent, qualified and experienced Engineer who shall be regularly in attendance at the works while the men are at work. Any directions explanation, instructions or notices given by the Bank's Engineer to such representative shall be held to be given to the Contractor.

10. Dismissal of Workmen: The Contractor shall on the request of the Bank's Engineer, immediately dismiss from the works any person employed thereon by him / them, who may, in the opinion of the Bank's Engineer, be incompetent or misconduct himself / themselves and such persons shall not be again employed on works without permission of the Consultant.

11. Access to Works: The Employer, the Bank's Engineer and his / their respective representatives shall at all reasonable times have free access to the work and / or to the workshops, factories or other places where materials are lying or from which they are being obtained and the Contractor shall give every facility to the Employer, Bank's Engineer and their representatives necessary for inspections and examination and test of materials and workmanship. No person not authorized by the Employer or Bank's Engineer except the representatives of public authorities shall be allowed on the works at any time.

12. Assistant Manager (Tech.) / Manager (Tech.):

(i) The term Assistant Manager (Tech.) / Manger (Tech.) shall mean the person appointed and paid by the employer. The contractor shall afford the Assistant Manager (Tech.) / Manager (Tech.) every facility and assistance for inspecting the works and materials and for checking and measuring the works and materials.

(ii) The Assistant Manager (Tech.) / Manger (Tech.) or any representative of the Employer shall have power to give notice to the Contractor or to his / their representative of non-approval of any work or materials. The work will from time to time be examined by the Assistant Manager (Tech.) / Manger (Tech.), but such examination shall not in any way exonerate the Contractor from the obligation to remedy any defects which may be found to exist at any stage of the works after the same is completed. Subject to the limitation of this clause the Contractor shall take instructions only from the Bank's Engineer.

13. Assignment and Subletting: The whole of the works included in the Contract shall be executed by the contractor and the Contractor shall not directly or indirectly transfer, assign or under-let the Contract or any part / share thereof or any interest therein without the prior written consent of the Employers and no undertaking shall relieve the Contractor from the full and entire responsibility of the Contract or from active superintendence of the works during their progress.

14. Alterations, additions, omissions: No alteration, omission or variation shall vitiate this Contract except instructions / notice of employer (through Bank's Engineer) at any time during the progress of the works to make any alterations in or additions to or omissions from the works or any alteration in the kind or quality of the materials to be used therein and shall give notice thereof in writing under its / their hand to the Contractor. The Contractor shall alter, add to or omit from, as the case may be, in accordance with such notice, but the Contractor shall not do any work extra to or make any alterations or additions to or omissions from the works or any deviation from any of the provisions of the Contract, Stipulation, Specification or Contract Drawings without the previous consent in writing of the Bank's Engineer and the value of such extras, alterations, additions or omissions shall in all cases be determined by the Bank's Engineer with the prior approval in writing of the Employer in accordance with the provisions of Clause no.17 hereof and the same shall be added to or deducted from the Contract Amount, as the case may be.

15. Schedule of Quantities: The Schedule of Quantities, unless otherwise stated shall be deemed to have been prepared in accordance with the Standard Method of Measurement specified in relevant IS code. Any error in description or in quantity or in omission of items from the Schedule of Quantities shall not vitiate this contract but shall be rectified and the value thereof, as ascertained under Clause no.18 hereof, shall be added to or deducted, from the Contract Amount (as the case may be) provided that no rectification of errors, if any, shall be allowed in the Contractor's Schedule of Rates.

16. Sufficiency of Schedule of Quantities: The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his / their tender for the works and of the prices stated in the Schedule of Quantities and / or the Schedule of Rates and Prices which rates and prices shall cover all his / their matters and things necessary for the proper completion of the works.

17. Measurement of Works:

(i) The Bank's Engineer may from time to time intimate to the Contractor and the Employer that he / they requires the works to be measured and the Contractor shall forthwith attend or send a qualified agent to assist the Bank's Engineer or the Bank's Engineer's representative or the Assistant Manager (Tech.) / Manager (Tech.) in taking such measurements and calculations and to furnish all particulars or to give all assistance required by any of them. Should the Contractor not attend or neglect or omit to send such an agent, then the measurements taken by the Bank's Engineer or a person approved by him / her shall be taken to be correct measurements of the works. Such measurements shall be taken in accordance with the Method of Measurements detailed in the latest relevant IS codes of practice.

(ii) The Contractor or his / their Agent may at the time of measurement take such notes and measurements as he / they may require.

(iii) All authorized extra works, omissions and all variations made with the Bank's Engineer's instructions or subsequently conveyed in writing (with the prior approval in writing of the Employer) shall be included in such measurements.

18. Prices for ascertainment of Extras: The Contractor may, when authorized and shall, when directed, in writing by the Bank's Engineer with the approval of the Employer add to, omit from or vary the works shown upon the drawings or described in the specifications or included in the Schedule of quantities, but the Contractor shall make no addition, omission or variation without such authorization or direction. A verbal authority or direction by the Bank's Engineer shall, if confirmed by them in writing within seven days, be deemed to have been given in writing. No claim for an extra shall be allowed unless it shall have been executed under provisions of Clause no.6 hereof or by the authority of the Bank's Engineer with the concurrence of the employer as herein, mentioned. Any such extra is herein referred to as authorized extra and shall be made in accordance with the following provisions.

(a) (i) The net rates or prices in the tender shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced therein.

(ii) Rates for all items, wherever possible, should be derived out of the rates given in the Priced Schedule of Quantities.

(b) The net prices of the original tender shall determine the value of the items omitted if omissions vary the conditions under which any remaining items of works are carried out, the prices for the same shall be valued under sub-clause (c) hereof.

(c) Where the extra works are not of similar character and / or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative to the amount of the whole of the contract works or to any part thereof shall be such that in the opinion of the Bank's Engineer the net rate of price contained in the Priced Schedule of Quantities or tender or for any item of the works involves loss or expense beyond that reasonably contemplated by the Contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Bank's Engineer shall fix such other rate or price as in the circumstances it shall think reasonable and proper with the prior approval in writing of the Employer.

(d) Where extra work cannot be properly measured or valued the contractor shall be allowed day work prices as the net rates stated in the tender of the Priced Schedule of Quantities or if not so stated, then in accordance with the local day work rates and wages for the districts provided that in either case, vouchers specifying the daily time (and if required by the Bank's Engineer, the workman's names) and materials employed be delivered for verification to the Bank's Engineer or his / her representative at or before the end of the week following that in which the work has been executed.

(e) The measurement and valuation in respect of the contract shall be completed within the "Period of final measurements" stated in the Appendix or if not stated then within three months of the completion of the Contract works as defined in Clause no.22 hereof.

(f) It is further, clarified that for all such authorized extra items where rates cannot be derived from tender, the contractor shall submit rates, supported by rate analysis worked out based on CPWD schedule of rate analysis or for items not available in CPWD schedule, based on the market rate with the "actual cost basis", plus 15% towards establishment charges, contractor's overheads and profit. Such items will not be eligible for escalation.

(g) The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his / her attention is / are drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of contract. However, during actual execution of work if the quantities exceeds by more than 25% of tender quantities, the quantity of such items executed, by the authority of the Engineer of the project and with the concurrence of employer, in excess of 25% of tender quantity shall be considered as extra item of work for which the contractor shall submit fresh rates supported by rate analysis worked on actual cost basis + 15% towards the establishment charges, contractors overhead & profit. The rates for all such

items of work, being current ones, will not be eligible for price adjustment due to increase or decrease in prices or materials and labour rates as per escalation formula, if any, given in the tender. If any of the items of work is omitted from the accepted tender at the sole discretion of employer, the contractor shall not be entitled to any claim on this account.

(h) Wherever the **basic rate / basic price** for the materials specified, the contractor should furnish to Employer for verifications all the paid bills. The purchase rate shall be got approved from the Bank's Engineers before purchasing such materials. The adjustment in price of materials shall be made only on the measured quantity with 15% towards Over heads and profit. The basic prices are ex-go down prices exclusive of GST. The contractor shall consider factors such as transport, handling, loading and unloading, etc., while quoting the rates for such items.

19. Unfixed materials when taken into account to be the property of the employer: Where in any Certificate (of which the Contractor has received payment), the Bank's Engineer has included the value of any unfixed materials intended for and / or placed on or adjacent to the works such materials shall become the property of the Employer and they shall not be removed except for use upon the works, without the written authority of the Bank's Engineer. The contractor shall be liable for any loss of or damage to, such materials.

20. Removal of Improper Works: The Employer shall, during the progress of the works, have power to order in writing from time to time the removal of the works within such reasonable time or times as may be specified in the order or any materials which in the opinion of the Bank's Engineer are not in accordance with the Specifications or the instructions of the Bank's Engineer, the substitution of proper materials and the removal and proper re-execution of any work executed with materials or workmanship not in accordance with the Drawings and Specifications or instruction and the Contractor shall forthwith carry out such order at his / their own cost. In case of default on the part of the contractor to carry out such order, the Employer shall have the power to employ and pay other persons to carry out the same and all expenses consequent thereon or incidental thereto, as certified by the Bank's Engineer shall be borne by the Contractor or may be deducted by the Employer from any money due or that may become due, to the Contractor.

21. Defects after virtual completion: Any defect, leakage, delamination, heaving up, shrinkage, settlement or other faults which may appear within the "Defects Liability / Performance Guarantee Period", stated in the Appendix hereto, arising in the opinion of the Bank's Engineer from materials or workmanship not in accordance with the contract, shall upon the directions in writing of the Bank's Engineer and within such reasonable time as

shall be specified therein, be amended and made good by the Contractor, at his / their own cost and in case of default, the Employer may employ and pay other persons to amend and make good such defects, shrinkage, settlement or other faults and all damages loss and expenses consequent thereon or incidental thereon or incidental there to shall be made good and borne by the Contractor and such damage, loss and expenses shall be recoverable from him / them by the Employer or may be deducted by the Employer, upon the Bank's Engineer's Certificate in writing from any money due or that may become due to the Contractor or the Employer may in lieu of such amending and making good by the Contractor deduct from any moneys due to the Contractor a sum, to be determined by the Bank's Engineer equivalent to the cost of amending such work and in the event of the amount retained under Clause no.32 hereof being insufficient, recover the balance from the Contractor, together with any expenses the Employer may have incurred in connection therewith. Should any defective work have been done or material supplied by any sub-contractor employed on the works who has been nominated or approved by the Bank's Engineer as provided in Clauses no.13 and 23 hereof, the Contractor shall be liable to make good in the same manner as if such work or material had been done or supplied by the Contractor and been subject to the provisions of this Clause and Clause no.2 hereof. The Contractor shall remain liable under the provisions of this Clause notwithstanding the signing of any Certificate or the passing of any accounts, by the Bank's Engineer.

22. Certificate of virtual completion and defects liability period: The works shall not be considered as completed until the Bank's Engineer has certified in writing that they have been virtually completed. The Defects Liability Period shall commence from the date of such Certificate.

23. Nominated Sub-Contractor: All Specialists, Merchants, Tradesmen and other executing any work of supplying and fixing any goods for which prime cost prices or provisional sums are included in the Schedule of Quantities and / or specification who may be nominated or selected by the Bank's Engineer are hereby declared to be Sub-Contractors employed by the Contractor and are herein referred to as nominated Sub-Contractors.

No nominated Sub-Contractor shall be employed on or in connection with the works against the Contractor shall make reasonable objections or (Save where the "Bank's Engineer and Contractor shall otherwise agree) who will not enter into a Contract, provided:

- a) That the nominated Sub-Contractor shall indemnify the Contractor against the same obligations in respect of the Sub-Contract as the Contractor is under in the respect of this Contract.

- b) That the nominated Sub-Contractor shall indemnify the Contractor against claims in respect of any negligence by the Sub-Contractor, his servants or agents or any misuse by him or them of any scaffolding or other plants, the property of the contractor or under any Workman's Compensation Action force.
- c) Payment shall be made to the nominated Sub-Contractor within fourteen days of his / their receipt of the Bank's Engineer's Certificate provided that before any Certificate is issued, the contractor shall upon request furnish, to the Bank's Engineer proof that all nominated Sub-Contractor's accounts, included in previous Certificates have been duly discharged, in default whereof the Employer may pay the same upon a certificate of the Bank's Engineer and deduct the amount thereof from any sums due to the Contractor.
- d) The exercise of this power shall not create privacy of contract as between Employer and Sub-Contractor.

24. Other persons employed by the employer: The Employer reserves the right with the concurrence of the Bank's Engineer to use premises and any portions of the site for the execution of any work not included in this Contract which it may desire to have carried out by other persons and the Contractor shall allow all reasonable facilities for the execution of such work but shall not be required to provide any plant or material for the execution of such work except by special arrangement with the Employer. Such work shall be carried out in such manner as not to impede the progress of works included in Contract and the Contractor shall not be responsible for any damage or delay which may happen to or occasioned by such work.

25. Insurance with respect to damages to person and property:

(i) The Contractor shall be responsible for all injury or damage to persons, animals or things and for all damage to property which may arise from any factor omission on the part of the Contractor or any Sub-Contractor or any nominated Sub-Contractor or any of his / their employees. The liability under this clause shall cover also, inter alia damages to structures, whether immediately adjacent to the works or otherwise, any damage to roads, streets, footpaths, bridges as well as damage caused to the buildings and other structures and works forming the subject matter of this contract. The contractor shall also be responsible for any damage caused to the building and other structures and works forming the subject matter of this contract due to rain, wind, frost or other inclemency of weather. The contractor shall, indemnify and keep indemnified the Employer and hold him / them harmless in respect of all and any loss and expenses arising from any such injury or damage to persons or property as aforesaid and also against any claim made in respect of injury or damage, whether under any

statute or otherwise and also in respect of any award or compensation or damage consequent upon such claims.

(ii) The Contractor shall, at his / their own expense, effect and maintain till issue of the virtual completion certificate under this contract, with an insurance company approved by the Employer, an **All Risk Policy** for Insurance for the full amount of the contract including earthquake risk in the joint names of the employer and the contractor (the name of the former being placed first in the policy) against all risk policy for contractors and deposit such policy or policies with the employer before commencing the works. In case of non-submission of the same by the contractor, the employer shall obtain such insurance at the contractor's cost.

(iii) The contractor shall reinstate all damage of every sort mentioned in this Clause so as to do delivery of the whole of the works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damage to property of third parties.

(iv) The Contractor shall also indemnify and keep indemnified the Employer against all claims which may be made against the Employer by any person in respect of anything which may arise in respect of the works or in consequence thereof and shall at his / their own expense, effect and maintain until the virtual completion of the contract, with an Insurance Company approved by the employer a policy of Insurance in the joint names of the Employer and the Contractor (name of the former being placed first in the policy) against such risk and deposit such policy or policies before commencement of the works. The minimum limit of the coverage under the policy shall be Rs.2 lakh per person for any one accident or occurrence and Rs.5 lakh in respect of damage to property for any one accident or occurrence subject to an overall ceiling of Rs.10 lakh. The contractor shall also indemnify the employer against all claim which may be made upon the Employer, whether under the **Workmen's Compensation Act** or any other statute in force, during the currency of this contract or at Common Law in respect of any employee of the contractor or of Sub-Contractor and shall at his / their **own expense** effect and maintain until the virtual completion of the contract or with an Insurance Company, approved by the Employer, a policy of insurance against such risks and deposit such, policy or policies with the Employer from time to time during the currency of this contract.

(v) In default of the contractor insuring as providing above, the employer may so insure and may deduct the premiums paid from any moneys due or which may become due to the contractor.

(vi) The contractor shall be responsible for any liability which may not be covered by the Insurance Policies referred to above and also for all other damages to any person, animal or

defective carrying out of this contract, whatever, may be the reasons due to which the damage shall have been caused.

(vii) The contractor shall also indemnify and keep Indemnified the Employer against all and any costs, charges or expenses arising out of any claim or proceedings relating to the works and also in respect of any of damage or compensation arising there from.

(viii) Without prejudice to the other rights of the employer against contractor in respect of such default, the employer shall be entitled to deduct from any sums payable to the contractor the amount of any damages, compensation costs, charges and other expenses paid by the employer and which are payable to the contractor under this clause.

(ix) The Contractor shall upon settlement by the insurer pursuant to a policy taken under this clause, proceed with due diligence to re-build or repair the works destroyed or damaged. In this event all the monies received from Insurer in respect of such damage shall be paid to Contractor and the contractor shall not be entitled to any further payment in respect of expenditure incurred for re-building or repairing of materials or goods destroyed or damaged.

(x) The contractor, in case of re-building or reinstatement after damage shall be entitled to such extension of time for completion as the Bank's Engineer may deem fit, but shall, however, not be entitled to reimbursement by the employer of any shortfall or deficiency in the amount finally paid by the insurer in settlement of any claim arising as set out herein.

(xi) Without prejudice to his / their liability under this clause, the contractor shall also cause all nominated sub-contractors to effect, for his / their respective portions of works, similar policies of insurance in accordance with the provisions of this clause and shall produce or cause to produce to the employer such policies. The contractor shall not permit a **nominated sub-contractor to commence work at the site unless the said insurance policies are submitted**. In the event of failure of the sub-contractor to take out such a policy of insurance before commencing the works at site, the contractor shall be responsible for any claim or damage attributable to the said sub-contractor.

26. Date of commencement and completion: The Contractor shall be allowed admittance to the site on the "Date of Commencement" stated in the Appendix hereto or such later date as may be specified by the Bank's Engineer and he / they shall there upon and forthwith begin the works and shall regularly proceed with and complete the same (except such painting or other

decorative work as the Bank's Engineer may desire to delay on or before the "Date of Completion" stated in the Appendix subject nevertheless to the provisions for extension of time hereinafter contained.

27. Liquidated Damage for non-completion: If the Contractor fails to complete the works within the stipulated time as in the Appendix or within any extended time under Clause no.28 hereof and the Bank's Engineer certifies in writing that in his / their opinion the same ought reasonably to have been completed, the Contractor shall pay the Employer the sum named in the Appendix as "Liquidated Damages" for the period during which the said work shall so remain incomplete and the employer may deduct such damages from any moneys due to Contractor.

28. Delay and Extension of time: If in the opinion of the Bank's Engineer the works be delayed (a) by force majeure or (b) by reason of any exceptionally inclement weather or (c) by reason of proceedings taken or threatened by or dispute with adjoining or neighboring owners or public authorities arising otherwise than through the Contractor's own default or (d) by the works of delays of other Contractors or Tradesmen engaged or nominated by the Employer or the Bank's Engineer and not referred to in the Schedule of Quantities and / or Specification or (e) by reason of Bank's Engineer's instructions as per Clause no.2 hereof (f) by reason of civil commotion, local combination of workmen or strike or lockout affecting any of the building trades or (g) in consequences of Contractor not having received in due time necessary instructions from the Bank's Engineer for which he / she specifically applied in writing or (h) from other causes which the Bank's Engineer may certify as beyond the control of contractor or (i) in the event, the value of work exceed the value of priced Scheduled of Quantities owing to variation, the Bank's Engineer may with previous approval in writing of Employer make a fair and reasonable extension of time for completion of Contract Works, in case of such strike or lockout the Contractor shall nevertheless constantly use his / their endeavors to prevent delay and shall do all that may reasonably be required to the satisfaction of the Bank's Engineer to proceed with work.

29. Failure of the contractor to comply with the Bank's Engineer's instructions: If the Contractor after receipt of written notice from the Bank's Engineer requiring compliance within ten days fails to comply with such further drawings and / or Bank's Engineer instructions, the Employer may employ and pay other persons to execute any such work whatsoever that may be necessary to give effect thereto and all costs incurred in connection therewith shall be recoverable from the Contractor by the Employer on the Certificate of the Bank's Engineer as a debt or may be deducted by him / them from any money due to the Contractor.

30. Termination of Contract by the employer:

(i) If the contractor being an individual or a firm commits any "act of insolvency" or shall be adjudged an insolvent or being an incorporated Company shall have an order for compulsory winding up made against it or pass an effective resolution for winding up voluntarily or subject to supervision of Court and the Official Assignee or Liquidator in such acts of insolvency or winding up, as the case may be, shall be unable within seven days after notice to him / them requiring him / them to do so, to show to the reasonable satisfaction of the Bank's Engineer that he / they is / are able to carry out and fulfil the Contract and to give security therefore, if so required by the Bank's Engineer.

(ii) Or if the Contractor (whether an individual, firm or incorporated Company) shall suffer execution or other process of Court attaching property to be issued against the Contractor or shall suffer any payment under this Contract to be attached by or on behalf of any of the creditors of the Contractor.

(iii) Or shall assign or sublet this Contract without the consent in writing of the Employer first had and obtained. Or shall charge or encumber this Contract or any payments due of which may become due to the Contractor hereunder.

(iv) Or if the Bank's Engineer shall certify in writing to the Employer that the Contractor,

Has abandoned the Contract, or

Has failed to commence the works or has without any lawful excuse under these Conditions suspended the progress of works for fourteen days after receiving from the Bank's Engineer notice to proceed or

Has failed to proceed with the works with such due diligence and failed to make such due progress as would enable the works to be completed within the time agreed upon or Has failed to remove materials from the site or to pull down and replace work for seven days after receiving the Bank's Engineer's written notice that the said materials or work were condemned and rejected by Bank's Engineer under these conditions, or

Has neglected or failed persistently to observe and perform all or any of the acts, matters of things by this Contract to be observed and performed by the Contractor for seven days after written notice shall have been given to the Contractor requiring the Contractor to observe or perform the same.

(v) Then and in any of the said cases the Employer may, notwithstanding any previous waiver, after giving seven days' notice in writing to the Contractor, determine the Contract, but without thereby affecting the powers of the Bank's Engineer or the obligations and liabilities of the contractor, the whole of which shall continue in force as fully as if the Contract had not been so determined and as if the works subsequently executed had been executed by or on behalf of the Contractor. And further, the Employer by his / their agents or servants may enter upon and take possession of the works and all plant, tools, scaffolding, sheds, machinery steam and other power utensils and materials lying upon the premises or the adjoining lands or roads and use the same as its / their own property or may employ the same by means of his / their own servants and workmen in carrying on and completing the works or by employing any other Contractor or other person or persons to complete the works and the Contractor shall not in any way interrupt or do any act, matter or thing to prevent or hinder such other Contractor or other person or persons employed for completing and finishing of the work using the materials and plant for the works. When the works shall be completed or as soon thereafter as convenient the Bank's Engineer shall give a notice in writing to the Contractor to remove his / their surplus materials and plant and should the Contractor fail to do so within a period of fourteen days after receipt thereof by him / them, the Employer may sell the same by public auction and give credit to the Contractor for the net amount realized. The Bank's Engineer shall thereafter ascertain and certify in writing under his / their hand what (if anything) shall be due or payable to or by the Employer, for the value of the said plant and materials so taken possession of by the Employer and the expense or loss which the Employer shall have been put to in procuring the works to be completed and the amount, if any, owing to the Contractor and the amount which shall be so certified shall thereupon be paid by the Employer to the Contractor or by the Contractor to the Employer, as the case may be and the Certificate of the Bank's Engineer shall be final and conclusive between the parties.

31. Termination of Contract by the Contractor:

If the payment of the amount payable by the Employer under Certificate of the Bank's Engineer shall be in arrears and unpaid for thirty days after notice in writing requiring payment of the amount as aforesaid shall have been given by the Contractor to the Employer or if the Employer interferes with or obstructs the issue of any such Certificate or if the Employer shall repudiate the Contractor or if the works be stopped for three months under the order of the Bank's Engineer or the Employer or by any injunction or other order of any Court of Law, then and in any of the said cases the Contractor shall be at Liberty to determine the Contract by notice in writing to the Employer through the Bank's Engineer and he / they shall be entitled to recover from the Employer, payment for all works executed and for any loss he / they may sustain upon

any plant or materials supplied or purchased or prepared for the purpose of the Contract.

In arriving at the amount of such payment the net rates contained in the Contractor's original Tender shall be followed or where the same may not apply valuation shall be made in accordance with Clause no.18 hereof.

32. Certificates & payments:

(a) The Contractor shall be paid by the Employer from time to time by instalments under Interim Certificates to be issued by the Bank's Engineer to the Contractor on account of the works executed when in the opinion of the Bank's Engineer, work to the approximate value named in the Appendix as 'Value of work for Interim Certificates' (or less at the reasonable discretion of the Bank) has been executed in accordance with this Contract, subject, however, to a retention of the percentage of such value named in the Appendix hereto as 'Retention Percentage for Interim Certificates' until the total amount retained shall reach the sum named in Appendix as 'Total Retention Money' after which time instalments shall be up to the full value of the work subsequently so executed and fixed in the building. The Bank's Engineer may in his / her discretion include the Interim Certificate such amount as he / she may consider proper on account of materials delivered upon the site by the Contractor for use in the works. And when the works have been virtually completed and the Bank's Engineer shall have certified in writing that they have been completed, the Contractor shall be paid by the Employer in accordance with the Certificate to be issued by the Bank's Engineer the sum of money named in the Appendix as 'Instalment after Virtual Completion' being a part of the said Total Retention Money. And the Contractor shall be entitled to payment of final balance in accordance with the Final Certificate to be issued in writing by the Bank's Engineer at the expiration of the period referred to as 'Defect Liability Period' in the Appendix hereto from the date of Virtual Completion or as soon as after the expiration of such period as the works shall have been finally completed and all defect made good according to the true intent and meaning hereof whichever shall last happen, provided always that the issue by the Bank's Engineer of any Certificate during the progress of works or at or after their completion shall not relieve the contractor from his / their liability under Clause no.2 and 21, not relieve the contractor of his / their inability in cases of fraud, dishonesty or fraudulent concealment relating of works or material or to any matter dealt with in the Certificate and in case of all defects and insufficiencies in the works or materials which a reasonable examination would not have disclosed. No certificate of the Bank's Engineer shall of itself be conclusive evidence that any works or materials to which it relates are in accordance with the Contract neither will the Contractor have a claim for any amounts which the Bank's Engineer might have certified in any interim bill and paid by the Employer and which might subsequently be discovered as not payable and in this respect the Employer's

decision shall be final and binding.

(b) The Contractor has to submit along with his / their all running account bills and final bill, a statement showing the details as well as the quantities of cement, steel and other building materials procured by him / them up to the date of the bill for verification of the same before settlement of such bills by the Employer.

(c) The Bank's Engineer shall have power to withhold any Certificates if the works or any parts thereof are not being carried out to his / her satisfaction.

(d) The Bank's Engineer may make any correction in any previous Certificate which shall have been issued by him / her.

(e) No certificate of payment shall be issued by the Bank's Engineer if the Contractor fails to insure the works and keep them insured till the issue of the Virtual Completion Certificate.

(f) Payment upon the Bank's Engineer's Certificate shall be made within the periods named in the Appendix as 'Period for honour of Certificates' after such Certificates have been delivered to the Employer.

33. Delayed Payment: Any amounts payable by the Employer to the Contractor in pursuance of any certificate given by the Bank's Engineer hereunder shall, if not paid within the 'Period of honoring certificates' named in the Appendix, carry interest at the rate named in the Appendix as the 'Rate of Interest for delayed payment' from the date upon which such sum ought to have been paid by the Employer until the payment.

34. Matters to be finally decided by the bank: The decision, opinion, direction, Certificate (except for payment) with respect to all or any of the matters under Clause no. 2 (a), 2 (b), 4, 7, 12, 20, 28 (a, c, d, e, f) hereof (which matters are herein referred to as excepted matters) shall be final and conclusive and binding on the parties hereto and shall be without appeal. Any other decision, opinion, direction, certificate or valuation of the Bank's Engineer or any refusal of the Bank's Engineer to give any of the same, shall be subject to the right of Arbitration and review under Clause no.35 hereof in the same way in all respects (including the provisions as to opening reference) as if it were a decision of the Bank's Engineer.

35. Settlement of Disputes through Arbitration:

(a) All disputes and difference of any kind whatever arising out of or in connection with the contract or the carrying out of the works (whether during the progress of works or within 12 months from the date of virtual completion of work and whether before or within 12 months of

determination abandonment or breach of contract) shall be referred to giving inter-alia full details of the matter under dispute like quantities, rates, amount claimed and the reason thereto and settled by the Employer who shall state its / their decision in writing. Such decision may be in the form of a Final Certificate or otherwise. The decision of the Employer with respect to any of the exempted matter shall be final and without appeal as stated in Clause no.34 hereof. But if the contractor be dissatisfied on any other matter, the contractor may within 28 days after receiving notice of such decision upon, shall submit in writing for arbitration. Such written notice shall specify the matters, which are in dispute of difference of which such written notice has been given. If both the parties agree, a single arbitrator would be appointed for the purpose. In case no agreement could be reached on the appointment of single arbitrator, both the parties will nominate one person each as an arbitrator on his / their behalf. The two arbitrators nominated by the parties shall nominate one more person to act as third arbitrator or umpire.

(b) The Arbitrator or Arbitrators, as the case may be, shall have power to open up, review and revise any certificate, opinion, decision, requisition or notice, save in regard to the exempted matters, referred to in the preceding Clause and to determine all matters in dispute which shall be submitted to arbitration and of which notice shall have been given as aforesaid.

(c) The arbitrator or Arbitrators, as the case may be, shall make his or their award within one year (or such further extended time as may be decided by him or them as the case may be with the consent of parties) from the date of entering on the reference. In case during arbitration proceedings the parties mutually settle, compromise their dispute of difference, on the parties filling their joint memorandum of the settlement of compromise, the arbitrator or the arbitrators as the case may be, shall make an award in terms of such settlement of compromise.

(d) Upon any such reference, the decision on the cost incidental to the reference and award respectively shall be in the discretion of the Arbitrator or Arbitrators as the case may be, who may determine the amount thereof or direct the same to be taxed as between party and party and shall direct by whom and whom and in what matter the same shall be borne and paid.

(e) This submission shall be deemed to be a submission to arbitration within the meaning of the Indian Arbitration and Conciliation Act, 1996 or any statutory modification thereof. The award of the Arbitrator or Arbitrators, as the case may be, shall be final and binding on the parties. It is agreed that the Contractor shall not delay the carrying out of the works by reason of any such matter, question or dispute being referred to arbitration, but shall proceed with the works with all due diligence and shall until the decision of the Arbitrator or Arbitrators is / are given, abide by the decision of the Employer. No award of the Arbitrator or Arbitrators, as the

case maybe, shall relieve the Contractor of his / their obligations to adhere strictly to the Employer's instructions with regard to the actual carrying out of the works. The Employer and the Contractor hereby also agree that arbitration under this clause shall be a condition precedent to any right of action under the contract.

36. Right of Technical Scrutiny of Final Bill: The Employer shall have a right to cause a technical examination of works by any persons or organization as appointed by employer and the final bill of Contractor including all supporting vouchers, abstracts, etc. If as a result of this examination/s or otherwise any sum is found to have been overpaid or over certified it shall be lawful for Employer to recover the sum from any payment due to Contractor for this works or any other works being carried out by contractor elsewhere under RESERVE BANK OF INDIA.

37. Employer entitled to recover compensation paid to workmen: If, for any reason, the Employer is obliged, by virtue of the provisions of the Workmen's Compensation Act, 1923 or any statutory modification or re-enactment thereof to pay compensation to a workman employed by the Contractor in execution of the works, the Employer shall be entitled to recover from the Contractor the amount of compensation so paid and without prejudice to the rights of the Employer under the said Act. The Employer shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due by the Employer to the Contractor under this contract or otherwise. The Employer shall not be bound to contest any claim made against it under the said Act, except on the written request of the contractor and upon his / their giving to the Employer for all cost for which the Employer might become liable in consequence of contesting such claim.

38. Abandonment of Works: If at any time after the acceptance of the tender, the Employer shall for any reasons whatsoever not require the whole or any part of the works to be carried out, the Bank's Engineer shall give notice in writing to the Contractor who shall have no claim to any payment of compensation or otherwise whatsoever on account of any profit or advantage which he / they might have derived from the execution of the whole works.

39. Right of Employer to terminate the contract in the event of death of contractor or individual: Without prejudice to any of the right or remedies under this Contract, if the Contractor being an individual, dies, the Employer shall have the option of terminating the Contract without incurring any liability for such termination.

40. Marginal Notes: The Marginal Notes and in the catch lines hereto and in the annexures hereto are meant only for convenience of reference and shall not in any way be taken into account in the interpretation of these present and the annexures hereto.

6. Special Conditions of the Contract

1. The work shall be carried out in the premises of Reserve Bank Staff College, Chennai. All dismantling works have to be carried out during Office non-working hours as decided by the Bank's Engineer. Hence, Contractor should plan the activities accordingly to ensure that work is executed without causing any hindrance / disturbance to the occupants of the premises.
2. The tenderer may please note that the work may have to be carried out in the night-time. Therefore, entire work involved shall be carried out with least disturbance / inconvenience to Staff, public and other agencies and also day-to-day cleaning of the debris / dust generated has to be done by the Contractor.
3. Contractors shall acquaint themselves of the security procedures of Employer. They shall make necessary arrangements to obtain necessary passes for his / their workers and supervisory staff posted at site against submission of required ID proof as required by Security Officials of the Bank.
4. The workmen will not be allowed to stay within the premises beyond working hours.
5. The water and electricity required for the work or workmen may be taken free of cost from the available sources / points in the premises. However, the contractor has to make all necessary arrangements for taking the water or supplying power to the required locations from the available points at his / their own cost following the safety codes.
6. Permission, if any, required from local bodies shall be obtained by Contractor at his / their cost.
7. The tenderer shall use only approved materials as specifically stated in Schedule of Quantities / Approved list of materials. **The Bank will be at liberty to choose any brand of materials from the approved brand names in the list.** Samples of any materials should be got approved before proceeding with bulk purchase. All materials shall be first / premium quality confirming to IS standards.
8. Wherever the Contractor proposes to use equivalent make (i.e., other than specified) the same shall be done after prior approval of Bank's Engineer. Any additional expenditure and time due to this shall be solely on Contractor's account and no claims whatsoever shall be entertained in this regard.
9. No lapses from the Contractor's side, which may cause damage to the property and injury to the occupants / neighbours in the opinion of the Bank's Engineer, shall be permitted.

10. The time-period for completion of the work mentioned in tender is inclusive of holidays, Sundays and Saturdays falling within the contract period.
11. Materials brought to site shall be brought to the notice of Bank's Engineer immediately for checking. All empty paint / chemical containers shall be retained at site until the entire work is completed and measurements taken and recorded. Sealed containers shall be opened for use only in the presence of Bank's Engineers.
12. The contractor shall submit a properly planned & prepared work programme to the Bank before commencement of work so as to enable the Bank to intimate other agencies in advance for smooth working, progress and coordination and the time schedule in the work programme should be strictly adhered to.
13. **Rates quoted by Tenderers in "Rate Column" should be inclusive of GST. Any other tax / levy / duty, etc., payable as per statute to Central / State Governments or any Statutory Body or Local Authorities shall be included in rates quoted. No claim in respect of sales tax, sales tax on works contract, excise duty, customs duty, octroi or other tax, duty or levy, service tax whether existing or future shall be entertained by the Employer.** While submitting the bill / invoice, the contractor shall clearly indicate GST involved in the work value.
14. Before quoting the rates, Contractor should inspect the site and acquaint themselves about the nature and scope of the work.
15. Any damage caused to any of Bank's property shall be made good by Contractor at his / their own cost.
16. The Contractor shall carry out the work strictly in accordance with specification details and instructions of the Bank's Engineer.
17. The Contractor shall make his / their own arrangements for storing of their materials at site safely.
18. Rate quoted should include for all necessary testing of materials as required and directed by the Bank's Engineers.
19. The contractor shall employ a well experienced site supervisor to supervise day-to-day works. Such a person shall be capable of following the instructions of the Bank's Engineers and execute the works as per the specifications laid down in the Tender.
20. The successful tenderer shall also be responsible for safety & security of his / their materials

& also for ensuring fire prevention steps at all times in working at the premises including their part of work.

21. The intending tenderer can obtain any clarifications regarding the tender, specifications, etc., if any from the Office of the Employer on any of Bank's working day.
22. Mode of measurement shall be as prescribed in Technical Specifications of Works. Wherever it is not specifically stated it shall be as per IS 1200.
23. The contractor shall furnish A-4 size, computerized sheets printed in the format (proforma shall be given by the Employer) of a conventional Measurement Book (MB), duly machine numbered pages and with a provision for inserting MB number. The contractors shall incorporate necessary corrections in these sheets as directed by the Bank's Engineer. After incorporating the corrections, the contractor shall submit revised copies. All pages of the finalized, computerized MB sheets, after due check / test check measurements shall have full signature with date of authorized official of the contractor. The measurement sheets approved as 'final' shall be bound in the form of a MB at the cost of the Contractor and submitted to the Employer.

Accepted with Digital Signature Certificate

7. Technical specifications and requirements for the work to be executed

The scope of work covers execution, completion and testing of the work of “**Renovation of 3 Nos of Rooms at Old Hostel Block (any Floor), Reserve Bank Staff College, Chennai**” in accordance with drawings (if any) and specifications prepared by the Bank’s Engineer and to the satisfaction of the Bank’s Engineer.

7.1. Quality

Materials to be used for the work shall conform to relevant BIS Codes as far as procurable & best quality of their respective kinds as specified herein and shall be of approved make and shall comply strictly with the tests prescribed hereinafter or, where tests are not laid down, with the requirements of the latest edition of the relevant Indian standards approved by the Engineer.

7.2. Inspection and testing

Materials before used in the Works shall be subjected to inspection and testing as provided in the Conditions of Contract and elsewhere in the Specifications. The cost of all samples for all tests as per relevant Standards shall be deemed to be included in the Contract rates. No materials shall be used in the works unless they have first been approved by the Engineer or his representative.

7.3. Samples

Samples of all materials proposed to be used or incorporated in the works and to be supplied by the Contractor may be called for at any time by the Engineer or his/ her Representative.

7.4. Independent tests

Independent tests and analysis of any of the materials may be made from time to time by a Testing House or Analyst appointed by the Engineer / Employer in order to check the supplier’s works tests and analysis. The frequency, the procedure for the testing and acceptance criteria will be as stated in the respective I S codes. The contractor shall at his own expenses supply and deliver to a Testing House or Analyst such materials as may be directed by the Engineer. Should the result of any test be unsatisfactory to the Engineer or his representative, the materials represented will be rejected. The testing of material (Third Party Test) shall be carried out through a Government / Approved Laboratory and the testing charges, as per actuals shall be reimbursed by the Bank on production of vouchers / paid receipt.

Wherever directed by the Engineer-in-Charge, the contractor shall submit the manufacturers’ batch test certificates of the batch of material(s) used in the work.

7.5. Mode of measurement

Unless otherwise specified mode of measurement shall be as per latest version of IS : 1200 In accordance with specifications (detailed in Schedule of Quantities) prepared to the satisfaction of the Bank’s Engineer. The specifications shall form part of the contract, and these shall be

deemed to be supplemental to the specifications and not in derogation thereof except to the extent specifically provided herein.

8 List of approved makes / manufacturers of materials.

1. All materials to be used in the work shall strictly conform to the detailed technical specifications under each item.
2. They shall be of the best quality available in the market and conform to the relevant Indian / International Standards.
3. If the approved brands mentioned are not available in the market, equivalent material with written approval of the Bank's Engineer only shall be used in the work. Wherever the contractor proposes to use equivalent makes (i.e., other than those specified), the same shall be done with prior approval of the Bank's Engineer. In such cases, it is the responsibility of the contractor to prove, to the satisfaction of the Bank's Engineer, with necessary technical data / documents / tests reports that the equivalent materials proposed to be used in the work conform to all the technical specifications / parameters stipulated in the specifications. Any additional expenditure and time on account of this shall be solely on contractor's account and no claims whatsoever shall be entertained by the Employer in this regard.

Sl.No	Description of Items	Approved Brands/ Manufacturer
1.	Cement	Ultratech, A.C.C, Coramandal, or approved equivalent.

6.	Plumbing /Sanitary fittings	Jaquar / Parryware or any approved equivalent make
7.	UPVC Windows	Saint gobain/ Fenesta/Qute or any approved equivalent
8.	Locks	Godrej/Hettich or any approved equivalent
9.	Ceramic/Vitrified tiles	Kajaria/Jhonson or any approved equivalent

Accepted with Digital Signature Certificate

Annexure I – Guidelines for e-Procurement
Important Instructions Regarding E-tender

This is an e-procurement event of RBI. The e-procurement Service Provider/Contractor is the MSTC Limited.

You are requested to read and understand the Notice Inviting Tender and subsequent corrigenda if any, before submitting your online tender.

Process of E-tender:

A) Registration: The process involves vendor's registration with MSTC e-procurement portal which is free of cost. Only after registration, the vendor(s) can submit his/their bids electronically. Electronic Bidding for submission of Techno-Commercial Bid as well as Price Bid over the internet will be done. The Vendor should possess Class III signing and encryption type digital certificate. Vendors are to make their own arrangement for bidding from a P.C. connected with Internet. RBI is not responsible for making such arrangement. (Bids will not be recorded without Digital Signature).

SPECIAL NOTE: THE PRICE BID AND THE COMMERCIAL BID HAS TO BE SUBMITTED ON-LINE ONLY AT www.mstcecommerce.com/eprocn/ (Version 3)

1(Vendors are required to register themselves online with

www.mstcecommerce.com/eprocn

Register as Vendor -- Filling up details and creating own user id and password Submit. For further details, go to Download Guide / Video / Registration

Vendors will receive a system generated mail confirming their registration in their email which has been provided during filling the registration form. In case of any clarification, please contact MSTC/ RBI,)before the scheduled time of the e- tender(.

Contact details:

Contact person (MSTC Ltd - During Office Hours only):

1. MSTC Helpline numbers: 044-28285049, 09499054103, 09499054101-104
2. Shri. J Damodaran – Mobile No. 9841002253
3. Shri. Shanmugam – Mobile No. 9176397264

Email - helpdesksro@mstcindia.in

Availability

9:30 AM to 5:00 PM on all working days for all Technical issues e-Tenders, System settings etc.

a) Contact person at RBSC

Guide.

1. **System Requirement:**

For details, vendor may refer to the **DOWNLOAD SYSTEM SETTING GUIDE** available <https://www.mstcecommerce.com/eprocn/>

2. Special Note towards Transaction fee: The vendors shall pay the transaction fee using “Transaction Fee Payment” Link against the specific tender in the “Bid Floor”/through the “Pay Transaction fee” in “Event catalog” through their login. Service Provider / Contractor / Vendor shall have the facility of making the payment either through NEFT or Online Payment. On selecting NEFT, Service Provider / Contractor / Vendor shall generate a challan by filling up a form. Service Provider / Contractor / Vendor shall remit the transaction fee amount as per the details printed on the challan without making change in the same. On selecting Online Payment, Service Provider / Contractor / Vendor shall have the provision of making payment using its Credit / Debit Card / Net Banking. Once the payment gets credited to MSTC’s designated bank account, the transaction fee shall be auto authorized.

Transaction fee is non-refundable. A vendor will not have the access to online e- tender without payment of the transaction fee.

NOTE: Bidders are advised to remit the transaction fee well in advance before the closing time of the event so as to give themselves sufficient time to submit the bid.

3. Information about tenders / corrigenda shall be sent by email only during the process till finalization of tender. Hence the vendors are required to ensure that their corporate email I.D. provided is valid and updated at the time of registration of vendor with the MSTC Ltd. Vendors are also requested to ensure

validity of their class III signing and encryption type of DSC (Digital Signature Certificate).

4. E-tender cannot be accessed after the due date and time mentioned in NIT (Notice inviting tender).

5. **Bidding in E-tender:**

Note: Vendors are instructed to use **Upload Documents** link in My menu to upload documents in document library. Multiple documents can be uploaded. Maximum size of single document for upload is 5 MB.

Once documents are uploaded in the library, vendors can attach documents through **Attach Document** link against the particular e-Tender. Please note that if the documents are not attached to any e-Tender, the same cannot be downloaded by RBI and it will be deemed that the vendor has not submitted the documents. For further assistance please follow instructions of vendor guide.

- a) Bidder(s) need to submit necessary EMD, E-Tender fees (If ANY) and Transaction fee separately for the e-tender. Transaction fees if any are non-refundable. No interest will be paid on EMD. EMD of the unsuccessful bidder(s) will be refunded by RBI.
- b) The process involves Electronic Bidding for submission of Techno Commercial Bid as well as Price Bid.

The bidder(s) who have submitted the above fees can only submit their Techno Commercial Bids and Price Bid through internet in MSTC website www.mstcecommerce.com → e-procurement → New Common Portal → Bid Floor Manager → live event → Selection of the live event → Transaction fee->Common terms->Attach Documents->Price Bid.

Please Note: The vendor after successful remittance of the transaction fees and EMD details, will get the attach documents and common terms tab enabled in their login. Post successful completion of this step, the vendors will be allowed to save the lot specific terms and submit their price bid against the lot through the portal or download and upload the excel file for submitting price bids, as the case may be. In case the attach documents and/or saving common terms step is unsuccessful, the tabs for saving lot specific terms and submitting price bid would be disabled. The status of whether the same is successful/pending would be displayed in the bid status button.

- c) First the vendor needs to fill up the Commercial specification if any and save it. Then the vendor should fill up the Techno-commercial bid. After filling the Techno-Commercial Bid, bidder should click 'save' for recording their Techno-Commercial bid. Once the same is done, the Price Bid link becomes active and the same has to filled up and then bidder should click on "save" to record their price bid. Then once both the Techno-Commercial bid & price bid has been saved, the bidder can click on the "Final Submission" button to register their bid

NOTE: - After clicking the final submission "Delete bid" option would be shown. If the vendor wants to delete the bid after final submission and re submit the bid, then he/she should click delete bid and resubmit the same and again click final submission.

- d) In all cases, bidder should use their own ID and Password along with Digital Signature at the time of submission of their bid.
- e) During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.
- f) The e-tender floor shall remain open from the pre-announced date & time and for as much duration as mentioned above.
- g) All electronic bids submitted during the e-tender process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the Buyer will form a binding contract between Buyer and the Bidder for execution of supply/work. Such successful tenderer shall be called hereafter **SUPPLIER/CONTRACTOR**.**
- h) It is mandatory that all the bids are submitted with class III signing and encryption type of digital signature certificate otherwise the same will not be accepted by the system.
- i) Buyer reserves the right to cancel or reject or accept or withdraw or extend the tender in full or part as the case may be without assigning any reason thereof.
- j) No deviation of the terms and conditions of the e-Tender document is acceptable. Submission of bid in the e-tender floor by any bidder confirms his acceptance of terms & conditions for the e-Tender.
- k) Unit of Measure (UOM) is indicated in the e-tender Floor. Rate to be quoted should be in Indian Rupee as per UOM indicated in the e-tender floor/tender document.

Annexure III – Proforma of Bank Guarantee for EMD / Bid Security

PROFORMA OF BANK GUARANTEE FOR EARNEST MONEY DEPOSIT / BID SECURITY
(On Non-Judicial Stamp Paper of appropriate value)

Place: _____

Date: _____

**The Principal
Estate Cell
Reserve Bank Staff College
Chennai**

Dear Sir,

Name of Work:

Ref: NIT / Adv. No.

Date:

WHEREAS

The Reserve Bank Staff College, Chennai, having its Central Office at Shahid Bhagat Singh Marg, Mumbai (hereinafter called the 'RBI') has invited tenders for the captioned work (Hereinafter called "the said tender") on the terms and conditions mentioned in the said tender documents.

It is one of the terms of invitation of tenders that the tenderer shall furnish a Bank Guarantee for a sum of Rs. _____ (Rupees _____ only) as Earnest Money Deposit (EMD).

M/s. (Name of the Tenderer / Bidder) _____, (herein after called as 'the Tenderer / Bidder'), who are our Clients / Constituents intend to submit their tender / Bid for the said work and have requested us to furnish Bank Guarantee to RBI in respect of the said sum of Rs. _____ (Rupees _____ only) in respect of EMD.

NOW THIS GUARANTEE WITNESSETH

1. We (Name of the Bank) do hereby agree with and undertake to RBI, their Successors, Assigns that in the event of the RBI coming to the conclusion that the Tenderer have not performed their obligations under the said conditions of the tender or have committed a breach thereof, which conclusion shall be binding on us as well as the said Tenderer, we shall on demand by the RBI, pay without demur to the RBI, a sum of Rs. _____ (Rupees _____ only) or any lower amount that may be demanded by the RBI. Our guarantee shall be treated as equivalent to the Earnest Money Deposit for the due performance of the obligations of the Tenderer under

the said Conditions, provided, however, that our liability against such sum shall not exceed the sum of Rs. _____ (Rupees only).

2. We also agree to undertake to and confirm that the sum not exceeding Rs. ____ (Rupees _____ only) as aforesaid shall be paid by us without any demur or protest, merely on demand from the RBI on receipt of a notice in writing stating that the amount is due to them and we shall not ask for any further proof or evidence and the notice from the RBI shall be conclusive and binding on us and shall not be questioned by us in any respect or manner whatsoever. We undertake to pay the amount claimed by the RBI within a period of one week from the date of receipt of the notice as aforesaid.

3. We confirm that our obligation to the RBI under this guarantee shall be independent of the agreement or agreements or other understandings between the RBI and the Tenderer. This guarantee shall not be revoked by us without prior consent in writing of the RBI. We hereby further agree that:
 - a) Any forbearance or commission on the part of the RBI in enforcing the conditions of the said agreement or in compliance with any of the terms and conditions stipulated in the said tender and / or hereunder or granting of any time or showing of any indulgence by the RBI to the Tenderer or any other matters in connection therewith shall not discharge us in any way and our obligation under this guarantee. This guarantee shall be discharged only by the performance by the Tenderers of their obligations and in the event of their failure to do so, by payment by us of the sum not exceeding Rs. _____ (Rupees _____ only).

 - b) Our liability under these presents shall not exceed the sum of Rs. _____ (Rupees _____ only).

 - c) Our liability under this agreement shall not be affected by any infirmity or irregularity on the part of our said constituents / clients in tendering for the said work or their obligations there under or by dissolution or change in the constitution of our said constituents.

 - d) This guarantee shall remain in force up to _____ (six months from the date of scheduled completion of the work) provided that if so desired by the RBI, this guarantee shall be renewed for a further period as may be indicated by them on the same terms and conditions as contained herein.

e) Our liability under these presents will terminate unless these presents are renewed as provided hereinabove on the _____ or on the day when our said constituents comply with their obligations, as to which a certificate in writing by the RBI alone is the conclusive proof whichever date is later. Unless a claim or suit or action is filed against us within _____ or any extended period, all the rights of the RBI against us under this guarantee shall be forfeited and we shall be released and discharged from all our obligations and liabilities hereunder.

Yours faithfully,

For and on behalf of _____

Bank.

Authorized Official (with seal)

NB: This guarantee will require stamp duty as applicable in the state, where it is executed and shall be signed by the official whose signature and authority shall be verified).

Annexure IV – Proforma of Bank Guarantee for Security Deposit

(To be submitted on Non-judicial stamp paper of appropriate value purchased in the name of the issuing bank)

No. _____ Date _____

To:
The Principal
Reserve Bank Staff College
Teynampet
Chennai

Dear Sir

In consideration of your agreeing to accept the security deposit of INR ____ (INR ____ only) furnishable to you by Messrs _____ (hereinafter referred to as “the Contractor”) in terms of his / their contract with you for “_____ (name of the work)” as per his / their Tender dated _____ and your Special Conditions of Contract and other tender documents relating thereto subject to the conditions and alterations mutually agreed upon the set forth or referred to in your Contract dated _____ in the form of guarantee from us in the manner hereinafter contained, we ____ (Name of the Bank) do hereby covenant and agree with you as follows

1. We undertake to indemnify you and keep you indemnified from time to time to the extent of INR ____ INR (_____ only) against any loss or damage caused to or suffered by or that may be caused to or suffered by you by reason of any breach or breaches on the part of the Contractor of any of the terms and conditions contained in the said Contract and in the event of the Contractor making any default or default in carrying out any of the work under the said Contract or otherwise in the observance and performance of any of the terms and conditions relating thereto in accordance with the true intent and meaning thereof, we shall forthwith on demand pay to you such sum or sums not exceeding in total the said sum of INR _____ (INR _____ only) as may be claimed by you as your losses and / or damages, costs, charges or expenses by reason of such default on the part of the Contractor.
2. Notwithstanding anything to the contrary, your decision as to whether the Contractor has made any such default or defaults and the amount or amounts to which you are entitled by reasons thereof will be binding on us and we shall not be entitled to ask you to establish your claim or claims under this Guarantee but will pay the same forthwith on your demand without any protest or demur.

3. This guarantee shall continue and hold good until it is released by you on the application by the Contractor after expiry of the relative guarantee period of the said Contract and after the contractor had discharged all his / their obligations under the said Contract and produced a certificate of due completion of the work under the said contract and submitted a "No Demand Certificate", provided always that this guarantee shall in no event remain in force after the day of _____ without prejudice to your claim or claims arisen and demanded from or otherwise notified to us in writing before the expiry of six months from the said date which will be enforceable against us notwithstanding that the same is or are enforced after the said date.
4. Should it be necessary to extend this guarantee on account of any reason whatsoever, we undertake to extend the period of this Guarantee on your request till such time as may be required by you. Your decision in this respect shall be final and binding on us.
5. You will have the fullest liberty without effecting this guarantee from time to time to vary any of the terms and conditions of the said contract or extend the time of performance of the Contractor or to postpone for any time or from time to time any of your rights or powers against the Contractor and either to enforce or forbear to enforce any of the terms and conditions of the said Contract and we shall not be released from our liability under this guarantee by the exercise of your liberty with reference to matters aforesaid or by reason of any time being given to the Contractor or any other forbearance, act or omission on your part or any indulgence by you to the Contractor or by any variation or modification of the said contract or any other act, matter or things whatsoever, which under the law relating to sureties would but for the provisions hereof have the effect of so releasing us from our liability hereunder provided always that nothing herein contained will enlarge our liability hereunder beyond the limit of INR _____ (INR _____ only) as aforesaid.
6. This guarantee shall not in any way be affected by your taking or varying or giving up any securities from the Contractor or any other person, firm or company on his / their behalf or by the winding up, dissolution, insolvency or death as the case may be, of the Contractor.
7. In order to give full effect to the guarantee herein contained you shall be entitled to act as if we were your principal debtors in respect of all your claims against the Contractor hereby guaranteed by us as aforesaid and we hereby expressly waive all our rights of surety-ship and other rights, if any, which are in any way inconsistent with any of the provisions of this guarantee.
8. Subject to the maximum limit of our liability as aforesaid, this guarantee will cover all your claim

or claims against the contractor from time to time arising out of or in relation to the said contract and in respect of which your claim in writing is lodged on us before expiry of six months from the date of expiry of this guarantee.

9. Any notice by way of demand or otherwise hereunder may be sent by special courier, telex, fax or registered post to our local address as aforesaid and if sent by post, it shall be deemed to have been given when the same has been posted.
10. This guarantee and the powers and provisions herein contained are in addition to and not by way of limitation of or substitution for any other guarantee or guarantees heretofore given to you by us (whether jointly with others or alone) and now existing un cancelled and that this guarantee is not intended to and shall not revoke or limit such guarantee or guarantees.
 - i. This guarantee shall not be affected by any change in the constitution of the contractor or us nor shall it be affected by any change in your constitution or by any amalgamation or absorption thereof or therewith but will ensure to the benefit of and be available to and enforceable by the absorbing or amalgamated company or concern.
 - ii. Any forbearance, act or omission on the part of the Bank in enforcing any of the conditions of the said tender or showing of any indulgence by the Bank to the Tenderer shall not discharge the Surety in any way and the obligations of the Surety under this guarantee shall be discharged only on the intimation thereof being given to the Surety by the Bank.
 - iii. This guarantee is irrevocable during the period of its currency and shall not be revoked without your previous consent in writing.
 - iv. We further agree and undertake to pay you without demur the amount demanded by you in writing notwithstanding any difference or dispute or controversy that may exist or arise between you and contractor or any other person.
 - v. Notwithstanding anything contained herein above our liability under this guarantee is restricted to INR _____ (INR _____ only). Unless a written claim is lodged on us for payment under this guarantee within six months from the date of expiry, including extensions if any, of this guarantee all your rights under the guarantee shall be forfeited and we shall be deemed to have been released and discharged from all liabilities there under, irrespective of whether or not the original guarantee is returned to us.

vi. We have power to issue this guarantee in your favour under the Memorandum and Articles of Association of our Bank and the undersigned has full power to execute this Guarantee under the Power of Attorney granted to him by the Bank.

Sill to be fixed in 2 pieces with 10mm level difference to facilitate for draining water and vertical pieces shall support soffit. Rate shall include for necessary scaffolding, packing the pockets with cement paste/ white cement, wastages. etc complete as directed.</p>	2	Sq m

12	<p>UPVC Sliding windows: (i) Providing and fixing approved make factory made uPVC glazed cum wire mesh windows comprising of lead free uPVC multi-chambered frame, sash and mullion/coupler (wherever applicable) extruded profiles having minimum wall thickness of 1.70 mm for the profile of frame (85mm & above) x (40mm & above), glazed sash (30mm & above) x (55mm & above) and fly screen sash (20mm & above) x (50mm & above) with zinc alloy (zamak) powder coated handle on every glazed panel along with multi-point locking system conforming to EN:12608 in required shape and size as per schematic elevation drawing and specification in half-white or approved color and design duly reinforced with galvanized mild steel section made of required shape and size as per manufacturer specification uPVC extruded glazing beads, Interlocks and Inline Sash Adopters (wherever required) of appropriate dimension, EPDM gasket, hardware, SS 304 grade fasteners of minimum 8 mm dia with countersunk head, comprising of matching polyamide PA6 grade sleeve for fixing frame to finished wall as per IS 367: part 1 to 14, plastic packers, plastic caps and necessary stainless steel screws etc., Profile of frame, slash and mullion (if required) shall be metred cut and fusion welded/ mechanically jointed duly sealed at all corners, including drilling of holes for fixing hardwares, and drainage of water etc., After fixing frame, the gap between frame and adjacent finished wall shall be filled with weather proof silicon sealant over backer rod of approved size and quality, all complete as directed by Bank's Engineer. Section of steel reinforcement and cross sections of uPVC profiles to be as per design approved by Bank. Note: For 2.4 m wide windows with additional mullion and 4+2 shutters shall be provided. (ii) Two and half track three panels sliding window : two glazed & one wire mesh panels with Aluminium channel for roller track, wool pile, nylon rollers with SS 304 body.</p> <p>(ii) Providing and fixing 5 mm thick approved make clear glass panels with glazing clips, beadings, EPDM gaskets, hardware, etc., in sliding UPVC sash panels and fly proof wire mesh of stainless steel (SS 304 Grade), 0.5 mm dia, 1.4 mm aperture on both sides using approved clips, beadings etc., in wire mesh of UPVC panel, etc complete as directed.</p>	6	sq m
13	<p>uPVC Ventilators: Providing and fixing ventilator (fixed type) with uPVC frame, mullion/transom of (33 mm & above) x (35 mm & above) and other specifications as per item No.19 above with fixed louvers of 5 mm thick frosted glass and fixed glass panel including glazing clips, beading and exhaust fan provision including fly screen of size as per schematic elevation drawing, etc. complete as directed.</p>	2	Sq m
14	<p>Room doors: (i)Repairing, Remodelling and repolishing of existing door shutter with aproved teak 3 ply veneering with vertical grains or cross bands or any approved design on front shutters(Repolishing backside) including ISI marked high quality approved stainless butt hinges with necessary screws, hardwares etc., complete as per layout drawings and as per site dimensions. (ii) Providing and fixing approved make teak wood veneer (3.5 mm thick) covering to the existing frame of the exposed portion including teak wood edge beading, hardware, surface preparation, adhesives 2 or more coats of melamin polishing etc., complete as directed. Rate shall include for carefully removing the existing shutters as directed by Bank and repairing the frame to bring in line and level. Note: Finished door shutter size(Front side only) shall be measured for payment, and fittings will be measured separately.</p>	7	Sqm
15	<p>Providing and fixing premium quality godrej or any equivalent approved make with keys in triplicate door lock to the new door and to old door after removing the old lock and making necessary repairs if required to fix the latch (ii) Provding and fixing peep holes of approved quality, etc. complete as directed.(Basic price of lock ₹3000 excluding GST)</p>	3	Sets

16	Providing and fixing heavy duty approved premium quality following new approved make hardware fittings with necessary approved quality wood screws to the doors. The rate shall include removing old fixtures and rebate for scrap value (i) Brass high quality D type door handles of 300mm long (ii) Tower Bolt of 250 mm long heavy (iii) Tower Bolt of 150mm long heavy (iv) Night latch of 100mm long heavy (v) Heavy duty Door stopper (vi) Mortice Lock approved premium quality with 2 way handle, etc. complete	3	sets
17	Gypsum board false ceiling: Providing and fixing false ceiling at all height/levels including providing and fixing of frame work made of special sections, power pressed from M.S. sheets and galvanized with zinc coating of 120 gm/ Sq m (both side inclusive) as per IS : 277 and consisting of angle cleats of size 25 mm wide x 1.6 mm thick with flanges of 27 mm and 37mm, at 1200 mm centre to centre, one flange fixed to the ceiling with dash fastener 12.5 mm dia x 50mm long with 6mm dia bolts, other flange of cleat fixed to the angle hangers of 25x10x0.50 mm of required length with nuts & bolts of required size and other end of angle hanger fixed with intermediate G.I. channels 45x15x0.9 mm running at the spacing of 1200 mm centre to centre, to which the ceiling section 0.5 mm thick bottom wedge of 80 mm with tapered flanges of 26 mm each having lips of 10.5 mm, at 450 mm centre to centre, shall be fixed in a direction perpendicular to G.I. intermediate channel with connecting clips made out of 2.64 mm dia x 230 mm long G.I. wire at every junction, including fixing perimeter channels 0.5 mm thick 27 mm high having flanges of 20 mm and 30 mm long, the perimeter of ceiling fixed to wall/partition with the help of rawl plugs at 450 mm centre, with 25mm long dry wall screws @ 230 mm interval, including fixing of gypsum board to ceiling section and perimeter channel with the help of dry wall screws of size 3.5 x 25 mm at 230 mm c/c, including jointing and finishing to a flush finish of tapered and square edges of the board with recommended jointing compound, jointing tapes, finishing with jointing compound in 3 layers covering up to 150 mm on both sides of joint and two coats of primer suitable for board, all as per manufacturer's specification and also including the cost of making openings for light fittings, grills, diffusers, cut-outs made with frame of perimeter channels suitably fixed, vertical drops all round, all complete as per drawings, specification and direction of the Bank's Engineer but including the 2 or more coats of interior emulsion paint over a coat of primer etc complete as directed : 12.5 mm thick tapered edge gypsum plain board conforming to IS: 2095-(Part I): 2011 (Board with BIS certification marks).	50	Sq m
18	Premium quality Interior acrylic emulsion paint: Providing and repainting the entire interior area of flats as per the specifications consist of preparation of surface by thoroughly scrapping the loose/peeled of paint, filling holes/cracks with approved make white cement wall putty and Providing and applying POP punning of average 3mm thick for walls, beams, columns, slabs, etc.to give entire smooth surface including applying approved make primer. Providing and applying two or more coats of premium acrylic emulsion paint of approved brand and manufacture of required colour to the interior surfaces of walls, beams, ceiling, columns, shelves etc., including scaffolding/ladder, cleaning and washing the floor, etc., complete as directed.	210	Sq m
19	Providing and fixing POP decorative wall cornice/moulds of overall size 50mmx25mm as per the elevation drawing including finishing and applying joint paper tape, white cement putty and finishing to receive emulsion paint, etc. complete as directed.	10	m

20	CPVC water lines : Providing and fixing Chlorinated Polyvinyl Chloride (CPVC) pipes, having thermal stability for hot & cold water supply, including all CPVC plain & brass threaded fittings, including fixing the pipe with clamps at 1.00 m spacing where necessary. This includes jointing of pipes & fittings with one step CPVC solvent cement and the cost of cutting chases and making good the same including filling the grooves with cement mortar 1:4, testing of joints complete as directed. The cost shall be inclusive of making good any damages caused externally to the pipe joint of the vertical stack and closing any openings made in the brick wall for this purpose and making good the wall avoiding any possible water seepages from external side. No scaffolding charges will be paid additionally. Length of pipe including specials will be measured by center line in running meter for payment. (i) 25mm nominal dia.	25	m
21	Same as item No 32 above for 20mm nominal dia.	10	m
22	Nahani trap : Supplying and fixing approved quality and make PVC Nahani/ floor trap with 100 mm mouth, 20 mm water seal and long horn, providing and casting a concrete block/ floor sump of overall dimensions not less than 300 mm x 300 mm x 300 mm, covering all around the trap with PCC 1:3, admixed with approved quality and make water proofing chemicals, used as per manufacturer's specifications including manual batching & mixing, laying, spreading, levelling, consolidating and finishing etc., complete as directed by the Bank's Engineer.	9	Each
23	PVC Waste water lines : Providing and fixing 6 kg/cm ² minimum pressure PVC pipes of approved make including all plain & threaded fittings, of the same manufacturer of the pipes or approved equivalent and fixing the pipes in proper line and level including cutting chases in the wall/ floor for concealing the pipes if necessary, and connecting to external vertical stack / nearest manhole chamber (applicable for ground floor rooms), including fixing the pipes with necessary clamps / fasteners for the vertical stack on the external side complete. The rate shall be inclusive of cutting, jointing of pipes with fittings with solvent cement of approved quality, packing the openings with water proof cement mortar and making good the damages by necessary plastering including necessary refilling, scaffolding, testing of joints/ pipelines for leakage etc. all complete as directed by the Bank's Engineer. Length of pipe including specials will be measured by center line in running meter for payment. : 75mm Dia	10	m
24	Same as item No 35 above for 110mm Dia.	10	m
25	Wash basin : Providing, supplying and fixing approved model of wash basin with pedestal , including 15mm dia 450mm long heavy quality PVC/ braided connections with CP brass unions, suitable model of CP waste coupling, making all necessary drainage and water supply connection etc. complete as directed at all levels. The quoted rate shall include the cost of the plumbing fixtures such as brackets/ fishers, CP waste coupling, connection hoses, waste hose etc. complete as directed by Bank's Engineer. Wash basin of approved make and model with Basic price excluding GST = Rs. 3500/-. Cost to be inclusive of providing waste hose of approved make, providing concealed pipe line to the nearest nahani trap suitable to the approved model. (ii) Providing and fixing the long body Pillar cock of approved make including all necessary accessories/ fittings (extension if any) making necessary holes in granite slab, etc all complete as directed (Basic price of Pillar cock ₹2000 excluding GST)	3	Set

26	EWC and concealed cistern: Providing and fixing (i) Concealed cistern of wall mount (single piece) dual flush 6/3 litres capacity of approved make including L- frame with bolts/rwal plugs, clamps and concrete grouting, connecting pipe, CP finish circular flush control plate with complete set of accessories, trap, etc. all complete as directed.(Basic price of concealed cistern ₹9000 excluding GST) (ii) Providing and fixing approved make wall hung EWC of approved size or color fixing to concealed (single piece) cistern along with with seat cover, hinges, necessary accessories, all complete as directed.(Basic price of EWC ₹7500 excluding GST)	3	Set
27	Bath and shower and hand mixer, etc.: Supplying and fixing (i) Single lever high flow bath and shower mixer (concealed body) wall mounted with button spout (composite one body piece) of approved make with all accessories (Basic price ₹6000 excluding GST) (ii) Single/multi flow hand shower with flexible tube set (Basic price ₹3000 excluding GST-) of approved make and model with all the necessary accessories and CP holder complete.(iii) Supplying and fixing of C.P brass shower arm of approved make of any size with flange etc complete.(Basic price exc. GST ₹1000/-) (iv) Supplying and fixing C.P. brass approved make, model shower hose (Basic price exc. GST ₹2000/-) including all labour, tools, etc complete as directed.	3	set
28	Angular Stop and Concealed cock : Providing and fixing (i) CP finished angular stop cock of approved make including all necessary accessories (extension if any etc.all complete as directed (Basic price of stop cock ₹1500 excluding GST) (ii) Concealed type C.P. brass angle cock/stop cock of 15mm with flange of Jaquar or any other approved equivalent make, model, etc complete.(Basic price exc. GST = Rs. 1300/-)	6	Each
29	Providing and fixing (i) Towel Rack with Hanger & Hook (Stainless Steel) approved make and model etc complete.(Basic price exc. GST ₹2000/-) (ii) Providing & fixing decorative corner glass shelf of Jaquar continental model No. CAN-1191N or any other approved equivalent make, model, etc complete. etc complete (Basic price exc. GST ₹1200/-)	3	Set
30	Providing and fixing channel type C.P. Grating/ jally of heavy quality of approved make for the width of shower cubical area along with nahani trap of required size as per site etc. complete	3	Set
31	Providing and fixing (i) Towel Ring of approved make etc complete (Basic price exc. GST ₹1300) (ii) Toilet paper holder of CP finish approved make with flange plate heavy duty etc. complete.(Basic price exc. GST ₹1200)	3	Set
32	Providing and fixing (i) Premium quality float glass bevelled edge mirror with SS studs above wash basin of approved size/model and make (Basic price exc. GST ₹2500) , etc. complete.	3	Set

33	<p>Providing fabricating and fixing Wardrobe of overall size 1m x 2.1m (approx.) as per design/sizes indicated in drawing consists of: (i) Carcass, shelf and dividers made made of 18mm thick BWP grade plywood with approved make 1mm thick approved colour laminate on one one side and other side with 2 or more coats of synthtic enamel paint over a coat of antitermite treatment, shutter made of 18mm thick BWP grade plywood with 3.5mm thick veneer and melamiine spary polish on front side and 1mm thick white laminate on other side. Approved teak wood quality edge lipping polishing, hettich make hardwares, shear connectors, adhesives, locks, D type 300mm handles , etc. complete consit (a) 1 No luggage shelf shall have grooves and SS ribs (b) Pull-out drawer unit shall be made using 12 mm or more thick ply and smooth sliding channel and lock and key (c) bottom box type unit of 150mm rise (d) 2 Nos Intermittant shelves (e) Cloth hanger rod etc. complete. Rate shall include for carefully removing the existing cupbards and loft unit and disposal of debris and modifying the loft unit as directed.</p>	6.3	Each
34	<p>Rebate: Rebate for taking away (a) All the scrap /salvaged items obtained from dismantling works mentioned above excluding electrical light/AC/ Network /computer fittings and fixtures , etc. complete.</p>	1	Job

Accepted with Digital Signature Certificate

Reserve Bank Staff College Estate Cell / Chennai

Price-Bid for Renovation of 3 Nos of Rooms at Old Hostel Block (any Floor), Reserve Bank Staff College, Chennai

Part II (Format)

Item no	Particulars of the work	Quantity	Unit	Rate per Unit inclusive of GST
1	Dismantling bathroom cum WC: Carefully dismantling the existing floor tiles along with bed concrete and sunken portion filling and wall dado of mosaic/any stone/tiles/ IPS along with back plaster, bedding for full area and height of all walls including plaster above the tile level with chisel, cutting, etc. to expose the base surface of floor including old water proofing upto RCC slab/brick surface making good the damages in CM 1:4, preparing the surfaces for receiving fresh plaster cleaning and stacking the salvagable items at a place directed and disposing off the debris out of the Bank's premises at place permissible by municipal authorities including tools and plants viz. ladder, platform scaffolding, etc. complete as directed. Note: The rate shall include for providing dust /debris preventive net/curtains of appropriate material designed for the safe working, Care shall be taken not to disturb/damage the structural (load carrying) members. Approximate floor area of each Bath cum WC = 1.5 x 1.9 m.	3	No	
2	Carefully dismantling of existing tile flooring (Vitrified/ceramic/mosaic/granite tiles/ granite slabs) along with all bed mortar upto RCC base slab level at all floor levels and disposing of the same from the premises and stacking the salvagable items at a place directed and disposing off the debris out of the Bank's premises at place permissible by municipal authorities, etc. complete as directed. Note: Care shall be taken not to disturb /damage the structural (load carrying) members, cleaning to receive fresh bed mortar and tiles	50	Sq m	
3	Carefully dismantling all the plumbing and sanitary fittings viz, EWCs, Wash basins, sinks, G.I./PVC/CI pipes (internal and external), taps, valves, high level CI flush tank with bracket, floor traps, gysers, including stacking the salvage items at place directed and disposing of the debris out of the Bank's premises, etc. complete as directed. Rate shall include for temporarily plugging water and wastewater lines and connecting back after the work For each Bath cum WC all the plumbing and sanitary items measured as one Job	3	No	

4	Carefully dismantling of all the windows and ventilators along with Iron grill and mesh work including hold fasts, making good the damages in CC 1:2:4 and plaster to receive 2 granite lining including scaffolding platform, protective nets for dust/debris and polythene sheets to protect from rains, etc and stacking the salvagable items at a place directed and disposing off the debris out of the Bank's premises at place permissible by municipal authorities etc. complete as directed. Windows size ranging from width 2'6"/4 ft/6ft/8ft x 4'6" (H)(Average rate to be quoted)	3	Nos	
5	Providing and laying RCC 1:11/2:3 (1 Cement :1 1/2 Coarse Sand : 3 hard stone aggregate 20 mm & down size) for lintels, platform, etc of any size as per drawing using nominal steel reinforcement at any level including mixing, laying, compacing, and shuttering, centring, curing etc complete as directed.	1	Cum	
6	Providing and applying average 15 mm thick (or to match the adjacent area plaster thickness) cement plaster in CM 1:4 (1 Cement : 4 Sand) added with approved make integral water proofing compound as per manufacturer specifications to walls, columns, ceiling, beams, etc., in line and level including dismantling the existing damaged plaster, disposal of debris out of Bank's premises, curing, of new plaster, etc., complete as directed.	63	Sq m	
7	<p>Providing and laying water proofing treatment in sunken portion of the bathroom cum wc consisting of the following; (All floors except ground floor)</p> <p>(i) Providing and applying two or more coats of approved make SBR based cementitious waterproof coating admixed with ordinary portland cement to the sunken portion of entire bathroom cum wc ,etc. including verticals and side walls up to 600 mm height above the floor finish level. The rate shall include preparation of surface by scrapping and cleaning the surface with wire brush, sealing of all joints, corners, junctions of pipes and masonry with SBR modified cement slurry. The rate shall include necessary curing, testing, etc., complete as directed by the Bank's Engineer.</p> <p>(ii) Providing and rendering 20 mm (average thickness) plaster using approved quality and make polymer modified ready mix plaster to the sunken / floor portion of bathroom cum WC including verticals, side walls up to 600 mm height above FFL. The rate shall include preparing the surface, curing, etc., complete as directed by the Bank's Engineer.</p> <p>(iii) Providing and laying brick bat coba using well burnt broken brick bats of 25 mm to 40 mm size with 50% of cement mortar 1:5 (1 cement: 5 coarse sand) admixed with approved quality and make SBR to fill the sunken / floor portion of the bathroom cum WC. The rate shall include necessary preparation of surface, curing, fixing pipes with additional cement concrete (1:2:4) etc., complete.</p> <p>Note: Rate shall include for all above work and payment will be made for plan area of bathroom cum wc.</p> <p>(iv) The treated areas shall be tested by water ponding (Water ponding test after application and curing of waterproof coating & plaster to the sunken / floor portion and second after rendering and curing of the top layer of plaster after laying brick bat coba) 72 hours and shall be got approved before proceeding with further works. The water proofing treatment shall be guaranteed against any seepage / leakage / dampness for a period of 5 years from the date of completion certificate issued by the Bank. The guarantee has to be furnished by the contractor in the stamp paper of appropriate value in Bank's prescribed format (Annexure I of Part - I).</p>	9	Sq m	

8	<p>Ceramic tile flooring for bathroom: Providing and laying 1st quality non-skid/matt rustic ceramic tile flooring conforming to IS: 15622 of approved make, in approved pattern, design and shade flooring in bathroom using of tiles of approximate size of 600mm x 600mm (thickness to be specified by manufacturer) or any other size laid over 20 mm bed mortar CM 1:4 (1 cement : 4 coarse sand), filling the joints with epoxy tile grout of matching shade or matching shade joint filler of approved make, laid to the required slope, cutting, curing, etc., complete all as directed. (Basic rate of tiles ₹650 per Sq m excluding GST)</p> <p>Note: Shower area shall be provided with 15mm depression for size 1500mmx1500mm (approx.) with a raised strip for fixing the glass sliding door and around the shower area on all sides including the provision for drain board (strip type).</p>	9	Sq m	
9	<p>Glazed ceramic tile full height wall dado for bathroom cum wc, wash basin area: Providing and fixing 1st quality glazed ceramic wall dado tiles conforming to IS 15622 of approved make, in approved pattern, design and shade using tiles of approximate size 1200mmx600mm (thickness to be specified by the manufacturer) or any other size to wall dado in Bath room, pantry area of approved make all in line, level and plumb, filling the joints with epoxy tile grout of matching shade or cement joint filler chemical of approved make, curing, including finishing corners with pvc beadings, etc., complete all as directed. The rate shall include preparation of back surface by dismantling existing plaster & re-plastering the same with CM 1:3 (1 Cement: 3 Sand) up to required thickness making rough to have required bonding and receive tiles (Basic rate of tiles ₹800 per Sq m excluding GST)</p> <p>Note: Including finish at EWC concealed tank wall as per site condition.</p>	63	Sq m	
10	<p>Vitrified tiles flooring: (i) Providing and laying full body Vitrified tiles in floors using tiles of size 1600 mm x 800 mm (thickness to be specified by the manufacturer) or any other size with water absorption less than 0.08% and conforming to IS 15622 of approved make/brand in all colours and shades laid over 20 mm or more thickness cement mortar 1:4 (1 cement: 4 coarse sand) including grey cement slurry @3.3 Kg/Sq m, grouting the joints with white cement mixed with matching pigments in all shapes and patterns. Rate shall include for providing and fixing same tile approved/contrast colour rectangular strips /borders of size 100 to 150mm wide as per layout drawings in hall, dining and bed rooms, including wastages, tools and tackles, curing, cleaning and protecting the flooring work with bubble/gypsym sheet and removing the wastage after painting works, etc. complete as directed. (ii) Providing and fixing vitrified tile skirting around of 150 mm high using tiles of same size and specification in line and level with flooring using cement mortar backing 1:3 (1 cement: 3 coarse sand) of 15mm or more thick including carefully removing existing skirting and back plaster, preparation of surface, cement grouting mixed with pigment, including wastages, etc. complete as directed. (Basic price of tiles ₹1000 per sq m excluding GST).</p>	50	Sq m	
11	<p>Providing and fixing 18mm thick get black mirror polished granite slabs for sill, jambs and soffits of windows to full thickness of wall plus wall internal panel thickness including bull nosing as per site, using cement mortar 1:4 (1 cement: 4 coarse sand) of required thickness including preparation of existing wall/plaster surface in line and level for good adhesiveness. Sill to be fixed in 2 pieces with 10mm level difference to facilitate for draining water and vertical pieces shall support soffit. Rate shall include for necessary scaffolding, packing the pockets with cement paste/ white cement, wastages. etc complete as directed.</p>	2	Sq m	

12	<p>UPVC Sliding windows: (i) Providing and fixing approved make factory made uPVC glazed cum wire mesh windows comprising of lead free uPVC multi-chambered frame, sash and mullion/coupler (wherever applicable) extruded profiles having minimum wall thickness of 1.70 mm for the profile of frame (85mm & above) x (40mm & above), glazed sash (30mm & above) x (55mm & above) and fly screen sash (20mm & above) x (50mm & above) with zinc alloy (zamak) powder coated handle on every glazed panel along with multi-point locking system conforming to EN:12608 in required shape and size as per schematic elevation drawing and specification in half-white or approved color and design duly reinforced with galvanized mild steel section made of required shape and size as per manufacturer specification uPVC extruded glazing beads, Interlocks and Inline Sash Adopters (wherever required) of appropriate dimension, EPDM gasket, hardware, SS 304 grade fasteners of minimum 8 mm dia with countersunk head, comprising of matching polyamide PA6 grade sleeve for fixing frame to finished wall as per IS 367: part 1 to 14, plastic packers, plastic caps and necessary stainless steel screws etc., Profile of frame, slash and mullion (if required) shall be metred cut and fusion welded/ mechanically jointed duly sealed at all corners, including drilling of holes for fixing hardwares, and drainage of water etc., After fixing frame, the gap between frame and adjacent finished wall shall be filled with weather proof silicon sealant over backer rod of approved size and quality, all complete as directed by Bank's Engineer. Section of steel reinforcement and cross sections of uPVC profiles to be as per design approved by Bank. Note: For 2.4 m wide windows with additional mullion and 4+2 shutters shall be provided. (ii) Two and half track three panels sliding window : two glazed & one wire mesh panels with Aluminium channel for roller track, wool pile, nylon rollers with SS 304 body.</p> <p>(ii) Providing and fixing 5 mm thick approved make clear glass panels with glazing clips, beadings, EPDM gaskets, hardware, etc., in sliding UPVC sash panels and fly proof wire mesh of stainless steel (SS 304 Grade), 0.5 mm dia, 1.4 mm aperture on both sides using approved clips, beadings etc., in wire mesh of UPVC panel, etc complete as directed.</p>	6	sq m	
13	<p>uPVC Ventilators: Providing and fixing ventilator (fixed type) with uPVC frame, mullion/transom of (33 mm & above) x (35 mm & above) and other specifications as per item No.19 above with fixed louvers of 5 mm thick frosted glass and fixed glass panel including glazing clips, beading and exhaust fan provision including fly screen of size as per schematic elevation drawing, etc. complete as directed.</p>	2	Sq m	
14	<p>Room doors: (i) Repairing, Remodelling and repolishing of existing door shutter with aproved teak 3 ply veneering with vertical grains or cross bands or any approved design on front shutters(Repolishing backside) including ISI marked high quality approved stainless butt hinges with necessary screws, hardwares etc., complete as per layout drawings and as per site dimensions. (ii) Providing and fixing approved make teak wood veneer (3.5 mm thick) covering to the existing frame of the exposed portion including teak wood edge beading, hardware, surface preparation, adhesives 2 or more coats of melamin polishing etc., complete as directed. Rate shall include for carefully removing the existing shutters as directed by Bank and repairing the frame to bring in line and level. Note: Finished door shutter size(Front side only) shall be measured for payment, and fittings will be measured separately.</p>	7	Sqm	
15	<p>Providing and fixing premium quality godrej or any equivalent approved make with keys in triplicate door lock to the new door and to old door after removing the old lock and making necessary repairs if required to fix the latch (ii) Provding and fixing peep holes of approved quality, etc. complete as directed.(Basic price of lock ₹3000 excluding GST)</p>	3	Sets	

16	Providing and fixing heavy duty approved premium quality following new approved make hardware fittings with necessary approved quality wood screws to the doors. The rate shall include removing old fixtures and rebate for scrap value (i) Brass high quality D type door handles of 300mm long (ii) Tower Bolt of 250 mm long heavy (iii) Tower Bolt of 150mm long heavy (iv) Night latch of 100mm long heavy (v) Heavy duty Door stopper (vi) Mortice Lock approved premium quality with 2 way handle, etc. complete	3	sets	
17	Gypsum board false ceiling: Providing and fixing false ceiling at all height/levels including providing and fixing of frame work made of special sections, power pressed from M.S. sheets and galvanized with zinc coating of 120 gm/ Sq m (both side inclusive) as per IS : 277 and consisting of angle cleats of size 25 mm wide x 1.6 mm thick with flanges of 27 mm and 37mm, at 1200 mm centre to centre, one flange fixed to the ceiling with dash fastener 12.5 mm dia x 50mm long with 6mm dia bolts, other flange of cleat fixed to the angle hangers of 25x10x0.50 mm of required length with nuts & bolts of required size and other end of angle hanger fixed with intermediate G.I. channels 45x15x0.9 mm running at the spacing of 1200 mm centre to centre, to which the ceiling section 0.5 mm thick bottom wedge of 80 mm with tapered flanges of 26 mm each having lips of 10.5 mm, at 450 mm centre to centre, shall be fixed in a direction perpendicular to G.I. intermediate channel with connecting clips made out of 2.64 mm dia x 230 mm long G.I. wire at every junction, including fixing perimeter channels 0.5 mm thick 27 mm high having flanges of 20 mm and 30 mm long, the perimeter of ceiling fixed to wall/partition with the help of rawl plugs at 450 mm centre, with 25mm long dry wall screws @ 230 mm interval, including fixing of gypsum board to ceiling section and perimeter channel with the help of dry wall screws of size 3.5 x 25 mm at 230 mm c/c, including jointing and finishing to a flush finish of tapered and square edges of the board with recommended jointing compound, jointing tapes, finishing with jointing compound in 3 layers covering up to 150 mm on both sides of joint and two coats of primer suitable for board, all as per manufacturer's specification and also including the cost of making openings for light fittings, grills, diffusers, cut-outs made with frame of perimeter channels suitably fixed, vertical drops all round, all complete as per drawings, specification and direction of the Bank's Engineer but including the 2 or more coats of interior emulsion paint over a coat of primer etc complete as directed : 12.5 mm thick tapered edge gypsum plain board conforming to IS: 2095-(Part I): 2011 (Board with BIS certification marks).	50	Sq m	
18	Premium quality Interior acrylic emulsion paint: Providing and repainting the entire interior area of flats as per the specifications consist of preparation of surface by thoroughly scrapping the loose/peeled of paint, filling holes/cracks with approved make white cement wall putty and Providing and applying POP punning of average 3mm thick for walls, beams, columns, slabs, etc.to give entire smooth surface including applying approved make primer. Providing and applying two or more coats of premium acrylic emulsion paint of approved brand and manufacture of required colour to the interior surfaces of walls, beams, ceiling, columns, shelves etc., including scaffolding/ladder, cleaning and washing the floor, etc., complete as directed.	210	Sq m	
19	Providing and fixing POP decorative wall cornice/moulds of overall size 50mmx25mm as per the elevation drawing including finishing and applying joint paper tape, white cement putty and finishing to receive emulsion paint, etc. complete as directed.	10	m	

20	CPVC water lines: Providing and fixing Chlorinated Polyvinyl Chloride (CPVC) pipes, having thermal stability for hot & cold water supply, including all CPVC plain & brass threaded fittings, including fixing the pipe with clamps at 1.00 m spacing where necessary. This includes jointing of pipes & fittings with one step CPVC solvent cement and the cost of cutting chases and making good the same including filling the grooves with cement mortar 1:4, testing of joints complete as directed.
